

Errata to *Specifying Systems*

Leslie Lamport

04 Mar 2002

These are all the errors and omissions to the draft version of *Specifying Systems* reported as of 04 Mar 2002. Positions in the book are indicated by page and line number, where the top line of a page is number 1 and the bottom line is number -1 . A running head and a page number are not considered to be lines, but all other lines are. Please report any additional errors to lamport@pa.dec.com. The first person to report any error will be acknowledged in the published version.

Uncorrected Errors

All known errors have been corrected.
