2017-2018 Catalog

Our Mission {

Ohio Christian University prepares students to serve effectively in the church and society by providing a holistic, Christ-centered, biblically integrated education in the Wesleyan tradition.

A MESSAGE FROM THE PRESIDENT

From its founding, Ohio Christian University has been committed to rigorous and open inquiry with a shared understanding, that commitment to the Word of God is the defining feature of the university. We understand that “all truth is God’s truth,” and therefore, are open to the wide variety of contributions that come from research and discovery, as well as corporate worship and cultural engagement.

You are about to begin the next chapter of your story, and we invite you to give serious consideration to Ohio Christian University. With over 500 students on our main campus in Circleville, OH, and more than 4,000 students in our various sites around the state of Ohio, Atlanta, GA, or online, the transformative power of an Ohio Christian University education is found in the collaborative, interactive environment of the faculty-student relationship.

As you write this next chapter, remember that at Ohio Christian University, you will also learn to understand how your story fits into the larger story of God’s love and His plan for your life. You will be advised by faculty mentors, and challenged to think deeply, and encouraged by a community of learners dedicated to your academic achievement, as well as your spiritual formation. And, more importantly, you will get to know the Author of your story ... and all stories.

It’s never been a better time to consider Ohio Christian University – we look forward to welcoming you!

Jon S. Kulaga, Ph.D.
President
Ohio Christian University

Non-Discrimination Policy

Ohio Christian University admits students of any race, color, national and ethnic origin, or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, sex, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In conformity with the pertinent requirements of Title IX of the Education Amendment of 1972 enacted by the Congress of the United States, Ohio Christian University does not within the context of its religious principles, heritage, mission, or goals discriminate on the basis of sex in the area of employment, admission, educational programs, or other activities.

Ohio Christian University complies with all federal and state non-discrimination laws and is an equal opportunity institution. The university reserves the right to, and does, maintain student educational and behavioral standards, and standards based upon religious considerations consistent with its role and mission.

Questions regarding Title IX may be referred to OCU's Title IX Coordinator Ronda Baldwin.

About OCU

ABOUT OCU

VISION

Preparing world-impacting Christian servant leaders.

MISSION STATEMENT

Ohio Christian University prepares students to serve effectively in the church and society by providing a holistic, Christ-centered, biblically integrated education in the Wesleyan tradition.

OBJECTIVES

Upon graduation from Ohio Christian University the student should:

- Articulate a Christian worldview supported by a working knowledge of contrasting philosophies and religions.
- Confirm an understanding of saving and sanctifying knowledge of God through Jesus Christ as Savior and Lord.
- Affirm the Bible as the only infallible guide for Christian faith and practice.
- Demonstrate God's love for humanity through a selfless life that seeks to reconcile the world to Christ.
- Demonstrate academic scholarship that creates a foundation for lifelong intellectual and professional development.
- Apply Bible-based moral values in their daily life.
- Practice a range of leadership skills and abilities.

CORE VALUES

Christ Centered

Our community of interdependent students, faculty, and staff seeks to honor and obey Jesus Christ, who is present in Spirit and speaks in Scripture, and to advance God's purposes in the lives of every member.

Biblically Based

Our academic and student development programs cultivate a deep and enduring faith that affirms the authority of Scripture and embraces Christ as the authentic center of life.

Student Oriented

Our traditional undergraduate and adult curriculum integrates faith and learning in a scholarly environment that fosters critical and creative thinking, academic excellence, and professional competence.

Ministry Motivated

Our emphasis on ministry and missions extends beyond the classroom into real-world experiences that prepare students for a lifetime of service in ministry.

Leadership Focused

Our students experience and engage the world in ways that prepare leaders to serve and transform their professions, churches, and communities.

Academic Excellence

We seek to provide an excellent academic environment for the acquisition of both knowledge and wisdom.

OUR DOCTRINE

- We believe in one God; self-existent in three Persons, co-equal and co-eternal; Father, Son and Holy Spirit.
- We believe in the Bible, God's infallible Word, fully inspired by the Holy Spirit, the supreme authority for faith and practice.
- We believe in the deity of Jesus Christ, who became man, being conceived of the Holy Spirit and born of a virgin. He lived a sinless life and died a substitutionary death as a complete sacrifice for the sins of all mankind. He arose bodily from the dead and ascended to the right hand of the Father where He is now our interceding High Priest.
- We believe that the Holy Spirit is a Divine Person who reveals Christ, both in a ministry to the world by restraining evil and by convicting of sin, and in a ministry to the Church by indwelling, empowering, guiding, and teaching all Christians.
- We believe that man was made in the image and likeness of God and by transgression incurred guilt before God, depravity of soul, and spiritual death.

About OCU

- We believe in the universal atonement Christ provided for all mankind and that they who do repent and believe on Him are justified and regenerated from the guilt and practice of sin.
- We believe in entire sanctification as a definite crisis experience subsequent to regeneration. It is wrought on the basis of faith and consecration through the infilling of the Holy Spirit by which the believer is cleansed from all sin and to which the Spirit testifies.
- We believe in the progressive growth in grace toward Christian maturity through a consistent Christian life of good works which springs from faith in God and obedience to His Word. This growth we believe to be a necessary complement to the above mentioned crisis experience.
- We believe in the true universal Church as the Body of Christ and Temple of the Holy Spirit. It is composed of all true believers in Christ. It was created by Him for worship and fellowship and is commissioned by Him to publish the Gospel to all the world.
- We believe in the personal return of Christ who shall come with power and great glory to gather the Church to Himself, to establish His millennial kingdom, and to judge the quick and the dead.
- We believe in the resurrection of the just, who shall enter into an actual eternal heaven, and the resurrection of the unjust, who shall go away into an actual and eternal hell.

HISTORY

Ohio Christian University was founded in 1948 for the purpose of educating clergy for its sponsoring organization, the Churches of Christ in Christian Union. In 1958 a Board of Trustees was established, and in 1961 the institution was incorporated by the State of Ohio. By the mid-1960s the institution had reached an enrollment of 150 and moved to forty acres on Route 22 east of Circleville.

In 1976 the institution received authorization from the Ohio Board of Regents and accreditation through the Association for Biblical Higher Education. Other programs were added such as counseling and music. In 1983 teacher education was initially offered for students interested in Christian school teaching. Later, the program was expanded through articulation agreements with other institutions to enable students to receive state licensure upon completion.

In the late 1990s the institution added a business program. The first nontraditional adult degree completion programs accepted students in January 1999. In 1998 the institution began pursuing dual institutional accreditation with the Higher Learning Commission of the North Central Association and was granted HLC accreditation in 2005.

Following the Higher Learning Commission accreditation in 2005, the Board of Trustees began a search for a new president who would expand the outreach of the university. Under the new president's leadership, the mission of the institution was clarified; new goals were envisioned; assessment plans updated, clarified, and implemented; and programs and partnerships expanded.

Ohio Christian University has remained true to its founders' vision throughout its history. Since its first graduating class of five in 1952, the institution has continued to produce leaders for the church and society. Although the mission, structures, and processes have developed and expanded throughout six decades, the founding goal has remained—that men and women be taught “to value souls more than money and eternity more than time,” producing Christian servant leaders to impact the world.

PAYMENT PLANS

Financial aid will be applied directly to a student's account charges. The student is responsible for paying the remaining portion of his or her bill. The Financial Aid or Business Office will accept the following forms of payment (which can also be found at <http://www.ohiochristian.edu/financial-aid/payment-options>).

Payment with Credit/Debit Card, Check, Money Order, or Cash

Credit/Debit Card payments, whether one-time or recurring, can be made/arranged via the following link: <https://secure.qgiv.com/for/ocufa>.

Checks/Money Orders can be made out to "Ohio Christian University," and delivered/mailed to the university's Business or Financial Aid office.

Cash payments can be made in person to the university's Business or Financial Aid office located on the main campus in Circleville, Ohio.

Employer Reimbursement

Students must provide the name of the employer, information verifying eligibility to receive reimbursement, and requirements for reimbursement. Invoice requests should be made via the following link: <http://www.ohiochristian.edu/financial-aid/request-invoice>.

The student is ultimately responsible to OCU for payment. Any issues between the student and their employer do not, in any way, alter this responsibility. Should a student fail to successfully make payments, the Financial Aid department will place a hold on the student's account until payment is made in full. No grades, transcripts, or diploma will be released until payment is made in full.

Third Party Payment

Students who receive a scholarship from a third party, such as a church or scholarship fund, or payment by an agency, such as vocational rehabilitation or the military, must provide official documentation from the third party verifying the amount of the scholarship/payment per semester. This documentation should list any restrictions or additional requirements. Invoice requests can be made via the following link: <http://www.ohiochristian.edu/financial-aid/request-invoice>.

Tuition Deferment

Tuition Deferment can be used alone, or to complement the Employer Reimbursement payment option. To use this option, the Payment Plan Agreement must be completed and submitted to the university's Financial Aid office prior to course registration. Additional instructions are located on the Agreement, which can be completed and submitted via the following link: <http://www.ohiochristian.edu/financial-aid/payment-plan-agreement>.

Financial Information

FINANCIAL AID

Any student planning to use financial aid to cover school costs must first complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. The FAFSA must have Ohio Christian University's school code – 003030 – in order for the results to be received by the Financial Aid Office. Once the FAFSA is successfully submitted online, the Financial Aid Office will receive that information within 2-3 business days. At this point, the student may contact the Financial Aid Office for estimates of eligibility at agsfinaid@ohiochristian.edu. The FAFSA must be renewed prior to each school year.

Grants

Federal Pell Grant

A Federal Pell Grant does not have to be repaid. This need-based grant is awarded to undergraduate students who have not earned a bachelor's degree. The amount of the award is based on FAFSA results, enrollment status, and Lifetime Eligibility Used (LEU). Pell Grant funds will be credited directly to the student's account.

Military Benefits

Ohio Christian University accepts educational benefits through the military (e.g., GI Bill, Ohio National Guard Scholarship Program). To begin the process of determining any applicable benefits, the student should contact the respective educational liaison within the appropriate military organization. Once that action has been taken, the student may contact the Financial Aid Office to proceed with any other applicable processes.

Ohio Christian University accepts DANTES/DSST credits. (See Credit by Examination, p. 34)

Loans

Federal Direct Loans

Direct Loans are federal loans available to students who are attending college at least half-time. The amount a student may borrow is based on year in school (defined by completed credit hours), dependency status, enrollment status, Cost of Attendance (COA), and remaining aggregate loan limit eligibility.

Federal PLUS Loan (Parent Loan)

A parent may borrow a PLUS Loan to help pay the expenses of a child who is a dependent undergraduate student enrolled at least half-time. The parent must pass a credit check to be eligible to receive a PLUS Loan. In the event the parent is denied the PLUS Loan due to adverse credit, the student generally becomes eligible to borrow an additional amount in an Unsubsidized Federal Stafford Loan.

Private Student Loans

A student may also obtain private loans to cover education-related expenses. For more details visit <http://www.ohiochristian.edu/financial-aid/payment-options>.

Satisfactory Academic Progress Requirements for Financial Aid

Students must make Satisfactory Academic Progress (SAP) towards earning a degree as stipulated in the table below to receive financial aid at OCU from all federal and state student aid grants, Work Study and loan programs. Some additional grants and scholarships may also use part or all of the SAP standards as minimum criteria for funding eligibility.

Financial Aid SAP will be measured annually. Students previously in good standing, will be placed on Financial Aid probation if the minimum SAP standards are not met. The student will retain eligibility for aid during the probationary period. Students not meeting the minimum SAP standards by the end of the semester the student was placed on Financial Aid probation will be placed on Financial Aid suspension. Aid eligibility will resume when the student raises his or her cumulative academic measurements to the required levels or has a Financial Aid appeal approved. Financial Aid suspension may be appealed if unusual and/or mitigating circumstances affected their academic progress. Such circumstances may include a severe illness or injury to the student or an immediate family member, the death of a student's relative, student activation into military service or other circumstances as deemed appropriate for consideration by the Financial Aid Appeals Committee. Transfer students with no grade history at OCU will enter on Financial Aid good standing. A Financial Aid SAP calculation, including transfer hours applicable to the current degree pursuit and OCU hours earned, will be run at the next scheduled increment.

Financial Information

To appeal, the student must submit a legible letter, a completed Financial Aid Appeal Form, and supporting documentation to the OCU Financial Aid Office. These must explain in detail why the student failed to meet the minimum academic standards, what unusual and/or mitigating circumstance contributed to the failure, and how the situation has changed to allow the student to meet Financial Aid SAP requirements by the next calculation. Appeals must be received by the Financial Aid office no later than 15 business days before the end of the term for which reinstatement is desired. Early appeal submission is strongly encouraged. A committee will review the appeal and will notify the student in writing of their decision. If an appeal is approved, the student will temporarily regain financial aid eligibility. Continuation of eligibility will be contingent upon the student demonstrating improved academic merit achievement as outlined by the Financial Aid appeals committee through their Academic Plan.

REFUNDS

Book Refunds

Refunds will be made for textbooks on the following conditions:

1. The student has officially withdrawn from the course that uses the textbook(s) for which a refund is being requested, *and*
2. The textbook(s) is returned to Tree of Life (1-888-392-2930) within two weeks from the course start date.
3. No opened software will be refunded.
4. No refunds on shipping and handling.

Financial Aid Refunds

Qualified students can receive a refund from their student accounts after the following three requirements have been met:

1. One course has been completed in the semester with a passing grade,
2. Student continues to actively participate in registered courses (see Attendance Policy), and
3. Enough financial aid has been received to exceed the semester charges.

Students should reasonably expect to receive a financial aid refund at the end of their second course, as long as all of the above requirements have been met. One absence will delay the processing of the funds.

Ohio Christian University will comply with any state mandated refund policies that govern refunds for students matriculating within the state in question. For a detailed listing of state-specific refund policies, please visit www.ohio-christian.edu/financial-aid/refund-policies.

BOOKS AND MATERIALS

The Adult & Graduate Studies programs have been, in part, designed to serve the needs of working adult students. With this in mind, our normal processes within the majority of our programs include procuring all of the required textbook and resource materials for our students and shipping them directly to the address most convenient for the student. This is a service we are happy to provide, and is one that we believe allows our students to focus more of their valuable time on their coursework and learning. OCU also has a relationship with many major publishers. In an effort to assist our students in their move to digital forms of content, we have negotiated lower prices for books bundled with e-books and directly embedded them in our courses.

Accordingly, this bundled price has its own unique ISBN, which we will deliver in both forms: paper and electronic. This companion book is not for resale because of the special pricing negotiated with the publisher.

Financial Information

Opt-Out Option

For courses which do not have an e-book bundle, we do, however, understand the desire for individual students to seek to maximize their educational dollars in various ways. This need, along with compliance to the regulations referenced above, prompts OCU to allow students the opportunity to choose their own personal textbook and materials procurement option if desired. This choice will allow a student to opt out of Ohio Christian University's standard textbook and materials procurement and distribution processes and secure their required materials in whatever manner they so decide. More information about this option may be obtained by contacting Raeanne Marsee, Curriculum Services Coordinator at OCU, rmarsee@ohiochristian.edu.

Delivery and Payment

For the OCU inclusive textbook system, books and materials will be provided for each student, and will be delivered on or prior to the first class session. Therefore, if students have an address change they must ensure it is updated in SONIS at least 21 days before the class is scheduled to begin. "Sharing of materials" is not an option and all books/materials must

be purchased directly from OCU by each student. Students receive payment schedules during the registration process which indicate the estimated costs for books and materials. A resource fee is assessed for each course and added to the student bill. If a student qualifies for financial aid, the fees will be paid with whatever financial aid has been awarded, after tuition. If a student does not qualify for financial aid, the book fee may be paid when tuition is paid.

Returning Books or Course Materials

Please note: Textbook changes are inevitable. Should it become necessary for a student to withdraw from a course, all books and materials should be returned immediately, if eligible, to avoid additional charges if/when the course is taken at a later date. If materials are not returned, and course materials change in the time between withdrawal and reentry, the student will be charged for new materials. Materials are eligible for return credit within 60 days from the date of withdrawal provided the student has not attended any of the class sessions, or posted any assignments for online classes, and the materials have not been used or damaged (e.g., writing, highlighting, physical damage, CD's & access codes intact in original sealed packaging, etc.) in any way.

Student Services and Policies

STUDENT SERVICES AND POLICIES

ACCOMMODATIONS POLICY

Ohio Christian University is committed to its entire student body, including those who need accommodation for disabilities. The 504 Compliance Officer is responsible for coordinating OCU's efforts in complying with applicable Federal and State laws and regulations, including the university's duty to address any inquiries or complaints regarding discrimination or denial of equal access. Information and forms can be located via the following URL: <http://www.ohiochristian.edu/about-ocu/general-institutional-information....>

Additionally, questions or comments may be directed to:

 Fax Number: 866-510-2708
complianceofficer@ohiochristian.edu

HOUSING AND CAMPUS EMPLOYMENT

On campus housing and campus employment is not available for Adult and Graduate Studies students.

STUDENT RECORD INFORMATION CHANGES

Name Change Procedure

The university requires students requesting a name change to provide official documentation to the AGS Registrar's Office. The official documentation must include their new last name and either their social security number or date of birth. A copy of the new driver's license, social security card, a scanned image of their marriage certificate, or dissolution/divorce decree are documentation, approved for the name change to become effective.

Address and Telephone Number Change Procedure

Students are responsible to update any address or telephone number information in SONIS under the Bio icon.

VEHICLE REGULATIONS

Anyone who drives on the university campus is expected to abide by all posted regulations and use designated parking. Failure to comply with state and campus regulations may result in loss of parking rights. The university does not assume responsibility for any vehicle or its contents while it is on campus.

Vehicle Operation

Vehicles are to be operated within posted speed limits. The maximum speed limit is 15 miles per hour on the university campus. Vehicles are to be operated only on surfaced roadways and parked only in designated areas. Vehicles may not be parked on lawns.

Parking On Main Campus & Off-Site

On main campus, no parking is allowed in areas painted or striped with yellow paint. This is done to prevent blocking of driveways, crosswalks, and building entrances. Some parking spaces are reserved from 7:00 AM to 5:00 PM, Monday-Friday. Resident Director and handicap parking are reserved at all times. Students may use all non-designated spaces. At off-site campuses, students may be required to purchase parking permits or pay fees. Contact the Adult and Graduate Studies Office for details. For safety, students are encouraged to leave class together at night.

VISITORS IN THE CLASSROOM

- *Children* – Due to the various disruptions and distractions (whether real or potential) associated with the presence of minor children in the classroom setting, no minor children will be permitted to accompany either faculty or students into class sessions.
- *Instructor Observation* – An instructor observation may be conducted during class time when a university administrator or mentor observes an instructor for evaluation.
- *Student Assistance* – Should a student need special assistance, such as someone to help carry class materials and books or someone to help take notes due to a temporary injury, he/she should obtain permission from

Student Services and Policies

the Program Director or Academic Dean via e-mail or through a written statement prior to a course start. Such assistance should be temporary as the continual distraction of non-student visitors detracts from the academic environment.

SCHEDULE CHANGES

Leave of Absence

Some students may need to leave school for a period of time. Currently, students are eligible to incorporate a break of up to six months into their schedule. However, they must be scheduled to take a course after the leave to avoid being considered dormant and being withdrawn from the university. If a student wishes to take a leave of absence, they may begin the process by contacting their assigned academic advisor or emailing the general agsadvising@ohiochristian.edu account

Withdrawal

Students who need to withdraw from a course or program should always make an official contact via email with their assigned Academic Advisor.

A withdrawal from a course or program often requires adjustments to financial aid, per U.S. Department of Education and/or State of Ohio regulations. The Financial Aid office makes that determination and any necessary adjustments upon receiving documentation of the course or program withdrawal. The student is responsible for any outstanding balance incurred as a result of this process.

- When dropping a course, a student must inform the Financial Aid office of their continued enrollment intention within 45 days of their last date of attendance, in order to keep his/her financial aid in good standing.
- Withdrawals affect the student's completion rate. (See GPA Requirements on p. 40)

Withdrawals from Program

- The university will retain a fee of \$100 for processing the withdrawal.

Withdrawals from Individual Courses

- Students who do not attend any sessions of a course for which they have registered should contact their Academic Advisor to be withdrawn from the course, and their account will be credited for the tuition and be charged a Drop fee.*

- If a student does not attend/participate any week of a class, they will be credited one hundred percent of their tuition.*
- If a student attends/participates the first week of the class, they will be credited eighty percent of their tuition.*
- If a student does not participate the first week, but attends/participates the second week, they are no longer eligible to be credited for the tuition.*
- If a student withdraws after the second week of the course, they are no longer eligible to be credited for the tuition.*
- If a student has already received textbooks for the courses, it is recommended the books be returned immediately for credit. Many courses change books or update editions without notice.

*Amounts credited to Georgia students may vary slightly.

Course Changes

Students withdrawing from a course after the course begins will be charged a \$45 drop fee and their tuition adjusted to reflect the number of credits carried for that semester. Please contact the Financial Aid office, as dropping a class from the semester may change aid eligibility.

The addition of a class may add to the student's account and exceed their financial aid limits. Please contact the Financial Aid office prior to adding a class to the semester.

Administratively-Initiated Cohort/Individual Schedules Changes

The university reserves the right to change a cohort schedule and/or an individual's schedule including, but not limited to, moving cohorts/individuals from an onsite location to online, moving cohorts from one site location to another, or combining cohorts and thereby terminating one schedule and creating a new schedule. Cohort schedule changes should be rare, but are done to maintain academic integrity, eliminate disruptions, or to maintain financial viability for the institution.

Continual Academic Progress

Students must continue to make progress toward earning a degree or certificate by enrolling and passing at least one course every four months. Students who do not meet this basic enrollment requirement may be dismissed from the university.

Student Services and Policies

Students who are dismissed due to this policy may reapply after the period of suspension is served. Students who are readmitted will remain on Continual Academic Progress probation until they have enrolled and passed their first class. Students who either successfully appeal or return on continual academic progress probation must successfully complete, with a passing grade, the first class for which they register or they will be suspended or dismissed from the program. Once a student successfully completes a course the probation status will be lifted.

Students also have the opportunity to appeal by following the instructions outlined in the Appeals Policies Quick Reference section (p. 28).

BEHAVIORAL STANDARDS

The university requires that Adult and Graduate Students maintain professional standards of behavior. We expect all members of the community both onsite and online to behave in a civil and respectful manner appropriate to a Christian environment. As such, the following behavioral expectations are based on the standards of civil and Christian behavior and common professional codes of conduct and apply to all students while they are on the university premises, including the virtual campus, or representing AGS program in an official capacity.

The College of Adult and Graduate Studies seeks to utilize disciplinary actions that are reconciling and educative. The following behavior expectations and policies (generally) apply while College of Adult and Graduate Studies students are at university sites or in the virtual classroom environment. The university reserves the right, however, to discipline students for conduct off the university premises if such conduct is detrimental to the reputation of the university or its mission.

Professional Behavior in the Classroom

Students are expected to act with professionalism and respect in the face-to-face or virtual classroom context, both toward peers and instructors. Behavior such as yelling or screaming, threats, crude remarks, uncooperative actions or attitudes, and hateful or demeaning language in written or verbal form will not be tolerated. Actions or words that can reasonably be interpreted as physical threats will likely be reported to local authorities and may lead to the immediate dismissal from the program.

Profile Photographs and Pictures Shared in Class

Photographs shared in E-360 (electronic classroom), OCU e-mail, or other OCU sponsored or for OCU classes or activities must be professional in character or non-provocative.

Standard of Dress

The reasonable standard AGS desires to maintain for its adult students is a neat and modest appearance that projects self-confidence, professionalism, and high standards. Students in onsite classes should dress appropriately, within the limits of their work schedule. Students should not wear tank tops to class. Dirty or ragged clothing intended as undergarments are not to be worn externally.

Firearms and Explosives

There will be no discharging of firearms, weapons, or explosives of any kind on university property. "Firearms/ weapons" includes rifles, shotguns, air rifles, BB/pellet guns, slingshots, paintball, and bow and arrows. The university may confiscate firearms, if necessary, to maintain the safety of the campus and its residents.

Harassment

The university will not tolerate harassment or abuse of any member of the university community against any other. Students who are deemed a serious risk of imminent harm to themselves or others may be dismissed immediately. A student should report any incident via telephone or email to the AGS Director of Student Services. Questions regarding the Harassment Policy may be directed to the AGS Director of Student Services.

Personal Property

Personal property is the sole responsibility of the individual student. The university assumes no responsibility for the loss of money, valuables, or other personal property.

Theft/Unlawful Entry

Attempted or actual theft of and/or damage to property of the university or property of a member of the university community or other personal or public property is strictly prohibited, violators may be prosecuted. Unauthorized or improper use of any university property, equipment, facilities, or resources, including unauthorized entry into any university room, building, or premises is strictly prohibited.

Student Services and Policies

Possession and Use of Controlled Substances and Tobacco

The possession and use of alcoholic beverages of any description, non-medical narcotics, or hallucinogenic drugs, including marijuana, is completely and strictly prohibited on the campus of Ohio Christian University and denominational grounds at all times. Students should adhere to the policy at additional university sites. Those in violation risk immediate dismissal and will be subject to civil penalty as well.

All tobacco is prohibited on the university campus and denominational grounds at all times. It is expected that any student that has a habit of tobacco use will make every effort to quit. Counseling and other assistance is available. The use of e-Cigarettes is also prohibited inside any site owned or rented by the university.

The university reserves the right to enforce accountability guidelines when deemed necessary. Ohio Christian University is a drug, alcohol, and tobacco free environment. For further information, access the Alcohol and Drug Abuse Prevention Handbook at <http://www.ohiochristian.edu/sites/default/files/Drug%20and%20Alcohol%20Abuse%20Prevention%20Handbook%20%282%29.pdf>

Felony Arrests

Students indicted on felony charges by a local, state, or by the federal government may be suspended pending the outcome of a trial. Students convicted of a felony will be dismissed from the program.

Copyright Infringement

Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students to civil and criminal liabilities. Students, faculty, staff or employees who engage in illegal or unauthorized distribution of copyrighted materials using the school's information technology system will incur penalties for violation of Federal copyright laws. OCU's copyright policy web page includes a description of the school's policies, including disciplinary actions that are taken against offenders, and may be viewed at <http://www.ohiochristian.edu/about-ocu/copyright-policy>.

Netiquette

OCU expects students to treat one another with dignity and respect. This applies to the etiquette used to communication via the internet, also known as Netiquette. Shea (1994) created ten basic core rules of Netiquette, listed below:

- Rule 1: Remember the human
- Rule 2: Adhere to the same standards of behavior online that you follow in real life
- Rule 3: Know where you are in cyberspace
- Rule 4: Respect other people's time and bandwidth
- Rule 5: Make yourself look good online
- Rule 6: Share expert knowledge
- Rule 7: Help keep flame wars under control
- Rule 8: Respect other people's privacy
- Rule 9: Don't abuse your power
- Rule 10: Be forgiving of other people's mistakes

Violation of Behavioral Standards

Disciplinary Process

All offenses will be handled on an individual basis. Any and all disciplinary sanctions may be applied. Some offenses may be considered minor in nature, while others are of greater concern and will result in action that is reflective of its nature. Penalties will increase if offenses accumulate or if more than one offense is involved in any incident. Students should be aware that all federal, state, and local laws apply as well. Enrollment in no way negates coverage from civil law. Penalty from civil law does not exempt students from further discipline by the university. The university reserves the right to discipline students for conduct off the university premises if such conduct is detrimental to the reputation of the university or its mission.

Discipline Sanctions

All disciplinary infractions will be considered cumulative across the entire period of a student's enrollment with Ohio Christian University.

Potential actions in the event of irresponsible behavior include:

Student Services and Policies

1. Written Warning: Student receives a letter from the university informing them that they have engaged in behavior that is in violation of Ohio Christian University Behavioral Standards. If they should continue to engage in this behavior or any other behavioral that is in violation of the university Behavioral Standards, more serious actions may be taken by the university. Written warnings may take the form of email or regular mail and will be clearly marked such.
2. Request for Voluntary Withdrawal: A student may be asked to withdraw for their best interest.
3. Suspension: Temporary immediate removal from academic status and other privileges for a designated period for the purpose of concentrated institutional and personal assessment of the student's ability to benefit from an OCU educational experience. During this assessment period, the student is not allowed on campus nor to access the university virtual campus. Participation in any university sponsored events is prohibited.
4. Expulsion: Permanent removal from school and immediate cessation of participation in the university's programs and services. Enrollment will be terminated

with immediate departure from campus or inaccessibility to the university virtual campus. The student will not be allowed to return to any Ohio Christian University location nor to participate in any university-sponsored events.

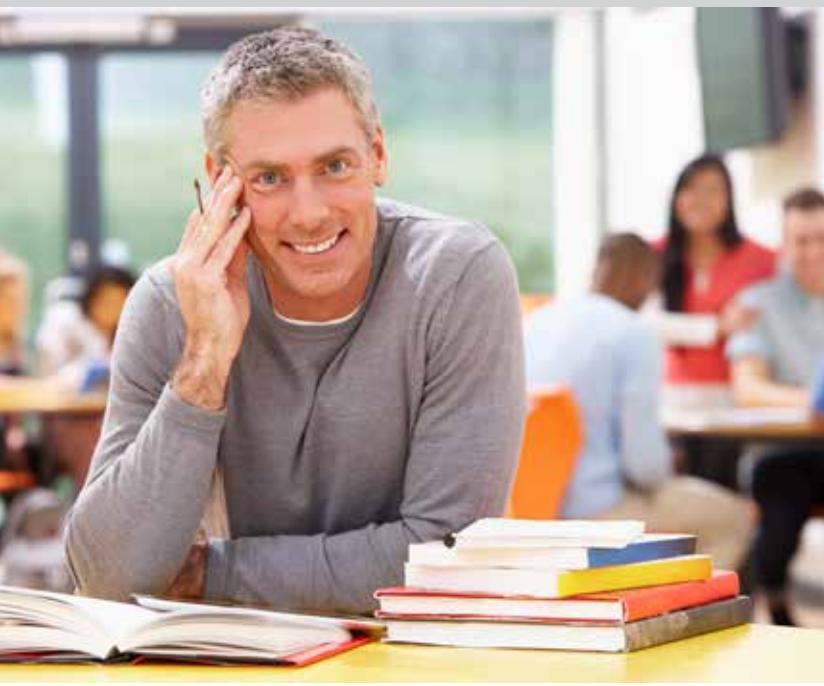

Appeal Procedure

Students are provided the opportunity to appeal any disciplinary decision by submitting their appeal in writing to agsappeal@ohiochristian.edu within five business days of receiving notification of the disciplinary action taken.

Request for Readmission

If a student is suspended from the university and desires to return, he/she must submit a written request to agsappeal@ohiochristian.edu for readmission. The student is to provide a thorough account of the actions that led to his/her dismissal and the student's strategy for successfully continuing studies at the university. An approval for readmission will be subject to any stipulations made by the AGS Director of Student Services.

Academic Services and Policies

ACADEMIC SERVICES AND POLICIES

Ohio Christian University has developed its College of Adult and Graduate Studies to meet the needs of busy adult students. These students are typically employed full time and interested in completing their degree in the evening, Saturdays, or online, while continuing to work. The opportunity is provided to begin classes at different times of the year and attend class one evening or Saturday morning per week or asynchronously online on a year-round basis, thus allowing a more accelerated completion of the degree than through traditional means when attending part time.

PROGRAM BENEFITS

Students in the College of Adult and Graduate Studies will be able to:

- Complete an associate, bachelor, or master degree in as little as two years (bachelor programs are in a degree completion format and require 50 credits of previous college work).
- Convert significant prior learning into undergraduate credits by documenting past training, work-related experience, and prior learning.

- Attend class only once each week, or asynchronously online, and minimize interference with work schedules and family responsibilities.
- Improve written, oral, and computer skills, and strengthen their abilities to maximize ministry responsibilities and/or leadership skills.
- Meet in a collaborative format and benefit from the varied experiences and ideas of classmates.
- Obtain a degree that could open a wide range of opportunities, including pursuing graduate or post-graduate studies.
- Attend small classes with the same students, developing team-work skills and mutual support.
- Receive individualized instruction and specific attention to problem areas.
- Gain satisfaction by fulfilling an educational goal.

PROGRAM ADVANTAGES

To allow students to fit this program into their already busy lives, the university offers courses one evening a week from 6 to 10 p.m., Saturday from 8:30 a.m. to 12:30 p.m., or primarily in an asynchronous online format for the duration of each program.

Organized into a group, called a cohort, students progress through the program together. The university presents the curricula in a syllabus with detailed assignments for each week.

DEFINITION OF A CREDIT HOUR

A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates:

1. Not less than one hour of classroom or direct faculty instruction and a minimum of two hours out of class student work each week for approximately fifteen weeks for one semester, or the equivalent amount of work over a different amount of time, or
2. At least an equivalent amount of work as required outlined in item 1 above for other academic activities as established by the institution including laboratory work and other academic work leading to the award of credit hours.

Academic Services and Policies

ACADEMIC CALENDAR

Because we understand the importance of family, work, and other commitments, we offer flexible class schedules for both the online and onsite College of Adult & Graduate Studies degree options. Undergraduate courses are typically five weeks in length, while graduate courses are usually six weeks in length. Students enroll in groups called cohorts and progress through the programs taking consecutive courses together year round, except for major holidays. The calendar year begins on July 1st, and is categorized into three semesters--Summer, Fall, and Spring--with each semester comprised of 16 weeks. The semester in which a course is categorized depends upon the course start date.

INFORMATION SESSIONS

Throughout the year, Ohio Christian University holds Information Sessions on campus and at other locations to inform prospective students about:

- Program advantages
- Program format
- Financial matters, such as:
 - Program costs
 - Loans and grants, and payment plans
 - Employer reimbursement
- Beginning dates for groups (cohorts)
- Application procedures

To get dates for Information Sessions or to schedule an individual conversation, please call the College of Adult and Graduate Studies at 740-477-7700 (877-496-8342 toll free).

FACULTY

Faculty are key to accomplishing program objectives successfully and thus fulfilling the university's mission. Faculty are academically and experientially qualified, spiritually mature, and strongly committed to the mission and purposes of Ohio Christian University. Additionally, they are expected to facilitate adult learning by allowing non-traditional students to learn from peers and resources as well as from the instructor.

To facilitate non-traditional programs at multiple sites and online, the university partners with excellent faculty at several levels: administrative, full-time instructional, full-time affiliate, adjuncts, and mentees in training. Faculty members in all categories are fully qualified in academics

and experience, desire to teach adults effectively, and have a committed relationship with God.

LIBRARY

The Maxwell Library exists to support the curricular needs of students and faculty. The Library is continuing to expand its resources to support the curricula and to promote student academic success. Library hours are posted on the university's Web site. The Library's Discovery Service gives students online access to multiple electronic materials such as journal and newspaper articles, eBooks, and theses/dissertations. Additionally, the university is a full member in OhioLINK, a consortium of Ohio academic libraries, which circulates print books and other physical materials between member institutions. Physical materials can be requested via the Discovery Service and collected/returned at participating OhioLINK libraries. For help with requests/renewals email the library at library@ohiochristian.edu.

TECHNOLOGY REQUIREMENTS

System Requirements for AGS Students

Students taking onsite, online, or hybrid courses access course materials and submit assignments using an online learning management system. Students may choose between a Windows or Apple computer as long as the computer provides access to the minimum hardware and software requirements noted below:

- Microsoft Office 365™ - students and faculty receive free licenses to Word, Excel, PowerPoint, and Outlook through OCU BlazerMail
- Current Operating System
- CPU - 1 GHz or higher
- RAM - 2 GB
- USB port - 1 or more
- Sound card and speakers
- Display - 1024 x 768 or higher resolution
- Internet access - 5 Mbps or higher download speed
- Current Web browser - requires an up-to-date version of Google Chrome, Mozilla Firefox, Microsoft Edge, or Safari (Apple only)
- Webcam and microphone - optional but highly recommended

NOTE: *NOTE: Some disciplines utilize software that requires a Windows operating system, such as Business requires Access™.*

Academic Services and Policies

Students choosing to use Apple products are responsible for ensuring that they have access to a computer capable of running the necessary Windows operating system and software required for their courses.

Internet Access

Computer Labs

Three computer labs are located on the main campus in the Maxwell Library and the Maxwell Center. Access to computer support at off-campus sites varies. Contact the College of Adult and Graduate Studies for specifics.

University Systems

Students access SONIS student information system for grades and statements of student accounts. All students are expected to use their university email account. Students access learning materials through the Edvance360 course learning system (learn.ohiochristian.edu). Some courses require students to have access to the Internet for weekly homework and assignments. It is the student's responsibility to secure access for those courses that require it.

Homework Submission Requirements

Students must use Microsoft® Word™ documents when submitting assignments. Microsoft® Excel™, PowerPoint™, and Access™ will be needed for some courses. Refer to the syllabus for course specific requirements.

Technology Assistance

The university encourages students to use technological advances to enhance their personal educational experience. The IT Helpdesk provides assistance regarding access to the university systems. Students are assigned passwords upon their enrollment and may contact blazertech@ohiochristian.edu for access information and other inquiries.

Internet Monitoring

The university reserves the right on the main campus, at any remote site, or in our online programs to restrict students from accessing Internet sites that are pornographic in nature or in any way not consistent with the standards of Ohio Christian University. The university further reserves the right to monitor the use of the Internet on campus or on the network, randomly or systematically. Violations of policy will be handled through the disciplinary process.

ACADEMIC HONESTY POLICY

Students are expected to be honest in all their academic work and are responsible for their own work for course requirements. Scholastic dishonesty is a violation of both academic standards and biblical teachings, and is an affront to other students and the faculty. Academic dishonesty includes the following:

1. Cheating on assignments and tests.
2. Plagiarism. The student is responsible for knowing the legitimate and illegitimate use of source material in written work. Faculty members are expected to be aware of and make decisions on instances of plagiarism. As a general guideline, plagiarism is defined by Lucas (2010) as "presenting another person's language or ideas as one's own." There are three types of plagiarism:
 - a. *Global plagiarism*: "stealing a paper or speech entirely from a single source and passing it off as one's own."
 - b. *Patchwork plagiarism*: "stealing ideas or language from two or three sources and passing them off as one's own."
 - c. *Incremental plagiarism*: "failing to give credit for particular parts of a paper or speech that are borrowed from other people." *The Art of Public Speaking*, 2010, by Stephen E. Lucas, McGraw-Hill, pp. 36-39.
3. Submitting a paper or project in which part or the entirety was done by someone else. (This does not include designated group assignments in which the student participates.)
4. Allowing another student to submit writing that is not their own.
5. Any act that violates the rights of other students from completing their academic assignments (e.g., deliberate withholding of necessary academic material, willful harm to another student's work).

All instances of academic dishonesty must be reported by the faculty member to the Academic Office through aghonestypolicy@ohiochristian.edu for recording in the student's permanent file. If faculty need assistance determining whether a paper is plagiarized according to the OCU policy, insert "Assistance Needed" in the subject line or contact the program director for assistance. The ramifications depend on whether the student is enrolled in an undergraduate or a graduate program.

Academic Services and Policies

- **Undergraduate:** For a student's first offense, he/she will earn a zero grade on the assignment. Failing a final or significant assignment may result in failure of the entire course. For the second offense, the student will fail the course and be placed on academic probation. For the third offense, the student will fail the course and may be suspended from Ohio Christian University.
- **Graduate:** For the student's first offense, the student will fail the course and be placed on academic probation. For the second offense, the student will fail the course and be suspended from Ohio Christian University.

A student who has been suspended for academic reasons may petition for readmission after six months. Returned students receiving another academic dishonesty offense will receive permanent expulsion.

A student wishing to appeal the decision may follow the Academics Policy Grievance instructions on p. 26.

ATTENDANCE POLICY

Students Taking Onsite Classes

Tardy

Students are expected to be present when class begins and remain the entire class session. Students will be considered tardy if they arrive more than 30 minutes late for a class session or leave earlier than 30 minutes before the end of a class session. Two tardies will equal an absence. In the case of an emergency, a student may be allowed one tardy in courses that are three class sessions or fewer in length. Even if a tardy is for a legitimate reason, participation points will still be deducted. Students exceeding the allowed tardies/absences will be given a withdrawal grade.

Absence

Under emergency circumstances, a student may be allowed one absence in courses that are four class sessions or more in length. Students are not allowed an absence for any course that has three class sessions or fewer in length. Even if an absence is for a legitimate reason or approved by appeal, participation points will still be deducted. Homework assignments for the class missed are still due as scheduled. Students exceeding the allowed tardies/absences will be given a withdrawal grade.

Late Instructor

Should an instructor be late for a class session, students are expected to wait a minimum of 30 minutes after the official

start time for the class and contact the site coordinator, Student Services, or the Answer Center, before leaving. If the instructor arrives within that 30 minute period and any student has left, the student will be counted as absent for the class session. If the instructor does not arrive within the 30 minute period, the students may leave and arrangements will be made to make up those class hours sometime during the time frame of the course or additional assignments will be given.

Cancellation of Onsite Classes

Ohio Christian University offers classes at many different locations throughout the states of Ohio, Georgia, and Florida (pending approval). Weather can vary greatly at these campus locations. Each location will constitute a separate evaluation and decision process, and therefore, class cancellations due to weather issues may apply to some but not all students. When possible, school closing will be determined by 3:00 p.m. the day for which classes are scheduled or by Friday evening for Saturday morning classes.

Students and professors will be notified through their OCU email account and telephone (as possible) if classes at their specific location are canceled. Students may also call the Answer Center at 1-844-726-7937 after 3 p.m. for the most up-to-date information. This information is also posted on the OCU website and in e360.

If classes are canceled, professors will contact students regarding make-up.

If classes are not canceled, students must make decisions related to their own attendance based on the attendance policy.

Students Taking Online Classes

Absence

Attendance is determined by participation in online weekly learning activities. A student is reported absent for a week if there is no participation in course discussions or submission of assignments during that week. Under emergency circumstances, a student may be allowed one absence in courses that are four weeks or more in length. No absences are allowed in courses that are three weeks or shorter in length.

Students exceeding the allowed absences will be given a withdrawal grade regardless of the circumstances. The only exception is for military reserve personnel fulfilling annual training requirements.

Academic Services and Policies

Students Taking Hybrid Classes

Absence

A student is considered present if they participate in either the onsite or the online portion of the hybrid course. In the online portion, participation is determined by posts in course discussions or submission of one or more assignments during the week. The student is considered participating in the onsite portion if they are present at the beginning of the class and remain the entire class session. Under emergency circumstances, a student may be allowed one absence in courses that are four weeks or more in length. No absences are allowed in courses that are three weeks or shorter in length.

Students exceeding the allowed absences will be given a withdrawal grade regardless of the circumstances. The only exception is for military reserve personnel fulfilling annual training requirements.

Absence Appeal for Onsite Courses

An absence appeal may be filed when emergency circumstances arise leading to more than the allowed absences. Absence appeals are only permitted for onsite courses, not for online or hybrid courses when there are seven days in which to participate. Assignments are still due according to the original due dates. Participation points will not be awarded, since class discussions were missed.

Please contact your Academic Advisor to obtain and complete the appropriate form in such situations. Contact must be made and the appeal form submitted within 7 days of the absence. See the Appeals Policies Quick Reference section on p. 28 for specific instructions.

Auditing Courses

Students auditing courses are required to complete only the Short Application/Registration Form. Students auditing a course are taking the course for no credit, thus they do not earn a grade. Students are encouraged but not required to attend classes regularly and complete homework assignments.

Students may obtain their own textbooks or purchase textbooks through OCU via Tree of Life Bookstore. Because students auditing courses do not qualify for financial aid, they must make arrangements to pay auditing fees prior to registration.

Senior Citizens

Senior citizens, age 60 and older, may attend (audit) classes at no tuition charge providing there is space available and the professor gives permission. Book and material costs and course fees are the responsibility of the individual auditing the course. Registration is not required; no grade or credit will be recorded.

Non-Degree-Seeking Students

Students not desiring a degree or certificate, but wanting to take courses for credit must complete the Short Application/Registration Form. Non-degree-seeking students may earn up to 12 semester hours. If a student desires to continue taking courses after having completed 12 semester hours, the normal admissions process must be completed.

Students registering for undergraduate level courses will be required to confirm only via the application that they have earned a high school diploma or GED. Students registering for graduate level courses will be required to supply a transcript showing a bachelor degree has been earned.

Non-degree seeking students do not qualify for financial aid and must make payment arrangements prior to registration.

Identity Fraud

Enrolled students must complete their own assignments and exams. Any enrolled student who retains a third party to complete assignments and/or exams on the enrolled student's behalf has committed identity fraud. Identity fraud will result in immediate dismissal.

Directed Study

A student who needs a required course that is not available in the regular schedule may contact their Academic Advisor to schedule a directed study course. Directed study courses are offered through e360 for the convenience of the student and faculty.

The duration of a directed study course is the same as the regular schedule course on which it is based. Typically, students are charged a directed study fee per credit hour in addition to regular tuition charges.

The university reserves the right to change classes with small enrollment to directed study at no extra cost to the student..

Academic Services and Policies

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA), a Federal law (section 9528), gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. With certain exceptions FERPA requires Ohio Christian University to obtain written consent prior to the disclosure of personally identifiable information from education records.

Directory Information

Directory information is generally not considered harmful or an invasion of privacy if released. However, if a student does not want Ohio Christian University to disclose directory information from education records without prior written consent, he/she must notify the university in writing by the first day that classes begin in each semester.

The freedom to publish directory information allows OCU to include students in publications such as the yearbook, honor roll lists, graduation programs, and sports news. If a student places a hold on directory information, he/she will have to sign a consent form each time information is released.

In accordance with FERPA guidelines, OCU has designated the following items as directory information:

- Name
- Current enrollment
- Local address as a student
- Permanent address as a student
- Local telephone number
- E-mail addresses
- Dates of attendance
- Class standing (e.g., sophomore)
- Schedule of classes
- Previous institution(s) attended
- Field(s) of study
- Awards and honors
- Degree(s) and date(s) conferred
- Full-time or part-time status
- Photographic or videotaped image
- Past and present participation in officially recognized sports and activities, and physical factors of athletes (e.g., height, weight).

- In very limited circumstances, a student ID number, user ID, or other unique personal identifier may be used to communicate in secured ways. (A student's SSN, in whole or in part, may not be used for this purpose.)

Other Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords certain other rights with respect to education records. These rights are:

- The right to inspect and review education records within 45 days of the day the college receives a request for access. You may submit to the Registrar a written request identifying the record(s) you wish to inspect. The registrar will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the registrar, the registrar will advise you of the correct official to whom the request should be addressed.
- The right to request the amendment of education records that you believe to be inaccurate or misleading. You may request that the university amend a record you believe is inaccurate or misleading. You should write the official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as you requested, you will be notified of the decision and advised of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided when you are notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows disclosure without consent to school officials with legitimate educational interests in the information. A school official is a person employed by the university in an administrative, supervisory, academic, or support staff position (including security and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a person assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university also is permitted to disclose

Academic Services and Policies

- education records without consent to officials of another school in which a student seeks or intends to enroll.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA.

The complete regulations and full definitions of terminology are at the FERPA page on the U.S. Department of Education website. If you have other questions about FERPA, you may visit the website of the Family Policy Compliance Office or you may write to them:

GRADE APPEAL AND ACADEMIC POLICY GRIEVANCE

A student who wishes to appeal a final course grade or an academic policy decision must abide by the procedures that follow.

All academic grievances, with all documents, recommendations, and decisions, will be reported to the Academic Dean. Because the appeal process is at a private university, administrative process, legal counsel, or representation is not appropriate.

Grade Appeal

A final grade appeal involves only those situations in which a student believes that an instructor: (a) has not followed fair grading practice or (b) has not followed published grading policy. A student who wishes to appeal a final grade based on one or both of these reasons must follow these procedures:

1. The student must first contact the instructor for full explanation of the grade given and the basis for assigning the grade.
2. If there is no resolution, then the student may file a grade appeal request form (available on MyOCU), and any supporting documents to agsappeal@ohiochristian.edu. If a properly completed grade appeal request form is not received by the university within 6 weeks of the end date of the course indicated in SONIS, then the student will forfeit any further right to appeal.
3. After the university receives the grade appeal request form, it will be forwarded to the instructor for a response.

4. The Academic Appeals Committee will meet to review the form and submitted documents. The decision of the committee will be final and binding upon all parties.

ACADEMICS POLICY GRIEVANCE

An academic policy grievance involves those situations in which a student believes that the university has not followed published academic policies (which are contained in the AGS Catalog) regarding an academic decision. A student who wishes to file an academic policy grievance must follow these procedures:

1. It is recommended that the student first contact the person who has made the decision for a full explanation of the policy and how the policy was followed.
2. The student may request that the matter be reviewed by the Academic Appeals Committee by filing a formal request in writing to agsappeal@ohiochristian.edu. The Academic Appeals Committee will notify the student of the decision in writing. If a properly completed written request is not received by the university within 30 calendar days of the date on which the event that gave rise or the complaint occurs, then the student will forfeit any further right to appeal.
3. The student may appeal the Academic Appeals Committee decision to the Academic Dean, College of Adult and Graduate Studies, by submission of a written request to agsappeal@ohiochristian.edu. If the university does not receive a properly completed written request within 15 calendar days of the date on which the notice in step 2 was sent, then the student will forfeit any further right to appeal. The decision of the Academic Appeals Committee will be final and binding upon all parties.

INDEPENDENT STUDY

A student wishing to study a subject matter that is relevant to his/her degree program, but not listed in the catalog, may request an independent study of that subject. The two major criteria are (1) relevance and (2) lack of subject availability through any other course in the catalog. No course listed in the current catalog may be taken as an independent study. Students on any kind of academic restriction will not be considered for an independent study. Students are charged an independent study fee per credit hour in addition to regular tuition charges.

LATE HOMEWORK POLICY

Onsite

All assignments must be turned in by 6:30 p.m. the night of class or 9:00 a.m. for Saturday classes. The majority of course finals are due 7 days after the end date of the course to provide students the opportunity to use information they learn from the last session of the course.

Online

All assignments are due the last day of each school week; for example, a Tuesday to Monday school week requires all assignments to be submitted by midnight Eastern time each Monday. The majority of the course finals are due 7 days after the end date of the course to provide students with the opportunity to use information they learn from the last session of the course.

Late Submission Deductions

Assignments may be submitted after the due date, earning the following deductions:

- 10% deduction - up to 1 day late
- 20% deduction - 2 days late
- 50% deduction - 3-7 days late

Assignments submitted on or after the 8th day will not be graded and will earn zero.

MULTIPLE DEGREES, MAJORS, CONCENTRATIONS, AND CERTIFICATES

Obtaining a Second Bachelor's Degree

Students can obtain a second bachelor's degree. It is not generally in the best interest of students to do so as a master's degree will usually be more advantageous. The following conditions apply:

1. An earned baccalaureate degree from an institution that holds regional or ABHE accreditation.
2. Earn a minimum of thirty (30) credit hours beyond the first degree.
3. Complete general education and Bible/theology requirements associated with the degree declared.
4. Complete the specific requirements associated with the degree declared.

5. Complete two-thirds of the major courses within the second bachelor degree program at OCU.
6. Meet the residency requirement.
7. If the original bachelor's has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in eligibility to participate in commencement.

Obtaining a Second Major

Students can obtain a second major while completing their degree with their originally declared major. Second majors are fully different programs (e.g., Business major as well as Psychology major). The following conditions apply:

1. Complete the specific requirements of the original major declared.
2. Complete two-thirds of the major courses within the second major's program at OCU.
3. Meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

Obtaining Additional Concentrations

Students can obtain additional concentrations while completing their degree with their originally declared major and concentration. Additional concentrations must be within the same major (e.g., Business major with concentrations in Business Management as well as Organizational Leadership). The following conditions apply:

1. Complete the specific requirements of all concentrations declared.
2. Complete all of the courses within the additional concentrations at OCU.
3. Meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

Obtaining Certificate(s)

Students can obtain certificate(s) in a separate discipline area while completing their degree with their originally declared major and concentration. Certificates are earned in an area that is not formally associated with the originally declared major and concentration (e.g., Business major with a concentration in Business Management and a certificate in

Academic Services and Policies

Counseling). The following conditions apply:

1. Complete the specific requirements of all certificates declared.
2. All of the courses within the additional certificates must be completed at OCU.
3. Must meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

ONLINE COURSES

To increase access to education and meet the flexibility needs of busy adult learners, all courses and programs are offered through online delivery. Some courses and concentrations are available only online.

In online courses students complete their weekly learning activities (reading, discussions, assignments) in an asynchronous way (i.e., not necessarily at the same time as others). The timeline is similar to onsite courses. Each course contains a complete syllabus and learning activities for each week.

Within the Edvance360 learning management system, the navigation provides easy maneuvering through courses. Communication is available in a variety of methods, including instant chat, email, and the threaded discussion experience similarly found in social media. Students must use Microsoft® Word™ for activities requiring a submission. Microsoft® Excel™ and PowerPoint™ are also required for some courses. Communities are also provided for specialty areas, cohorts, and all of the online student body to have continuous resources made available. (learn.ohiochristian.edu)

APPEALS POLICIES QUICK REFERENCE

AGS policies are created with busy adult learners in mind. Students have the opportunity to appeal a policy decision if they meet the required timeframe and complete all steps in the instructions. Use this index to quickly identify the appeals process for a particular policy and refer to the catalog page covering additional context. Forms are available by logging into my.ohiochristian.edu/ and searching under the AGS Advising section.

ADMISSION REQUIREMENTS

Application Process

Students must complete the admissions process before they are eligible to start classes. Pieces that must be included in the file before being considered for admission are:

- Students seeking to complete an associate's degree or having less than 12 transferable college credits must submit a legible copy of an official high school transcript or GED as proof of high school equivalency.
- Students seeking to complete a degree must submit official transcripts of prior college work from all institutions previously attended. Official transcripts must be sent to the Ohio Christian University College of Adult and Graduate Studies by fax from the sending institution or by mail from the sending institution in a sealed envelope.

Undergraduate Studies

- Completed and signed application and application fee paid (non-refundable).
- Transcript review of prior college credit (if applicable).

Readmit: See Applicable Catalog.

Vaccinations

The College of Adult & Graduate Studies does not require the submission of health/immunization records for admission or enrollment. The College recommends that all applicants, students, and their families review the list of recommended vaccines that has been compiled by the American College Health Association (ACHA) with assistance from the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC). The College also recommends that all students maintain these recommended vaccinations.

Associate of Arts and Associate of Sciences Admission Requirements

1. Official copy of a high school transcript or GED as proof of high school equivalency.
2. Application form and payment of Application Fee.

Any applicant not meeting the above-stated requirements may petition for consideration.

Bachelor of Arts and Bachelor of Sciences Admission Requirements

1. A minimum of 50 semester credits from an institution of higher learning accredited regionally or by ABHE.
2. Official transcript directly from all institutions previously attended.
3. GPA of 2.0 or better (on a 4.0 scale) on all prior work.
4. Application form and payment of Application Fee.
5. Ministry Reference Form (for the BA in Church Planting and Pastoral Ministry Concentrations only).

Any applicant not meeting the above-stated requirements may petition the Dean of Academics for special consideration by writing a letter requesting admission to: Dean, College of Adult & Graduate Studies, 1476 Lancaster Pike, Circleville, OH 43113.

Refer to Bachelor of Science in Nursing Admission Requirements for specifics related to the B.S.N. program.

Bachelor of Science in Nursing Admission Requirements

1. A minimum of 50 semester credits from an institution of higher learning accredited regionally or by ABHE. Diploma nursing program graduates will receive individual advising for course equivalency for transfer. A maximum of 80 credit hours may be transferred.
2. Official transcript directly from all institutions previously attended.
3. GPA of 2.0 or better (on a 4.0) on all prior work.
4. Application form and payment of Application Fee.
5. The BSN program requires all candidates to hold a current, unencumbered Registered Nurse License throughout the program. Recent graduates from a nursing program who are candidates for the NCLEX will be given consideration for enrollment while in pursuit of a successful NCLEX.
6. The university will not accept a microbiology class as a substitute for NUR4000 Pathophysiology for Nurses.

Any applicant not meeting the above-stated requirements may petition for consideration.

Probationary Admission

Students applying for admission with less than the required cumulative GPA in completed college work may be admitted on GPA Requirements probation until they complete the first semester, after which their status will be re-examined. (See GPA Requirements table on p. 40)

Undergraduate Transfer Student Policy

Ohio Christian University welcomes students to apply transfer credits from other institutions. The following provisions govern transferring credits to OCU:

- The student seeking enrollment by transfer from another college will complete the regular admission process with the addition of a transcript review supplied by OCU.
- All academic courses in which at least a "C-" grade or its equivalent has been earned are eligible for transfer, subject to the discretion of the College of Adult and Graduate Studies, providing the courses were taken at a regionally or ABHE accredited college/university.

Undergraduate Studies

- Credits earned at an institution that does not hold regional or ABHE accreditation will be accepted only after probationary study at OCU of 30 credit hours and achievement of a 2.0 average or better. The maximum number of credits transferable from a school without regional or ABHE accreditation is less than half of the total program.
- Bible and theology courses will only be accepted for transfer credit if earned from ABHE, CCCU, or other approved institutions.
- Courses must be for college credit (i.e., not development).
- Each applicant for transfer admission will be notified of the specific course credits or equivalents to be granted by OCU. OCU uses semester hours. One quarter hour is worth 0.67 of a semester hour.

Advanced Standing

A student bringing transfer credit may be granted advanced standing to replace required courses.

- In undergraduate programs, students may transfer up to 49% of the credits required for a major for advanced standing, unless specifically prohibited by the department. Any prohibitions will be noted in the program sections of this catalog. The courses must be equivalent in content and equal in credit weight to be considered.
- Students requesting advanced standing should understand that hours granted in advanced standing must be made-up with other hours to meet the graduation requirements (60 hours for associate and 120 hours for bachelor). Advanced standing is normally established at the transcript review. Advanced standing requests must be made prior to the semester in which the course in question occurs.

International Student Policy

The university complies with U.S. government regulations for foreign students. Due to strict government regulations, the university has detailed requirements pertaining to foreign students. It is the responsibility of foreign students to obtain the proper documents and to furnish the university with these documents. Before a student can receive his/her I20 to obtain a visa, certain requirements must be met.

The student must pass an English proficiency test. Ohio Christian University accepts the following tests of English as a second language:

- IELTS - minimum 5.5
- Test of English as a Foreign Language (TOEFL):

minimum score of 500 paper based, 178 computer based, or 70 internet based.

- The students must show, at the university's discretion, the ability to finance his/her education for the entire length of their program.

Credit by Examination

The university accepts credit for knowledge demonstrated by CLEP exams. College Level Examination Program (CLEP) is a national set of exams on selected topics, offered on a regular schedule. For more information consult the web page at <http://www.collegeboard.org/clep/>. The university also accepts DANTEs or DSST credits. Please see <http://www.getcollegecredit.com/> for more information.

Sponsored Pastoral Training (SPT)

- Adults entering with completed home study credits, authenticated by their denomination or church leadership, and combined with active ministry experience, may receive one credit hour for each course completed. SPT credit is used for general elective credit only.
- In addition to transcribed course work, receipt of credit hinges upon the students' participation in Christian Ministry on the following basis:
 - for 0 year experience, the total number of credits accepted would not exceed 3.
 - for 1-3 years, the total number of credits would not exceed 12.
 - for bachelors-level only, those with more than 3 years of experience the total number of credits would not exceed 24.
- Classes for which SPT credit is given cannot be considered for PLA credit. Official denominational or church transcript for course work must be submitted directly from the organization to the university.
- Students wishing to receive SPT credit must contact their Academic Advisor to apply and provide supporting documentation prior to start of second semester in program.
- All SPT credit will be charged \$50 per credit hour for evaluation and recording.
- No more than 24 semester credit hours for bachelor-level may come from SPT.
- SPT credit is not available toward graduate degrees..

Military Service

Some courses provided by the armed forces may earn college credit. The Guide to the Evaluation of Educational

Undergraduate Studies

Experience in the Armed Services, published by the American Council on Education, is used to determine what credit might be granted.

The university accepts DANTES or DSST credits. (See Credit by Examination)

Prior Learning Assessment (PLA)

Students can earn credits through a portfolio process. A maximum of 12 semester credit hours for associate-level, which does count toward Advanced Standing, or 24 semester credit hours for bachelor-level may be earned by prior learning assessment (PLA). PLA credit is for elective credit.

These credits can come from a number of different sources, including workshops, seminars, self-study, non-credit classes, training programs, and work experiences. The university evaluates and grants appropriate credits for the student's learning (not just the experience) from these sources.

A three-credit course PLA1000 Portfolio Development is offered at various times throughout the year. Students taking this course will be instructed in prior learning assessment and how to write for college credit based upon their background and training. Students may write for up to 12 credit hours as part of the initial course work. Bachelor students may write for up to an additional 12 credits thereafter. Prior Learning Assessment (PLA) offers adult learners the opportunity to document previous learning experiences for elective college credit. This course is an introductory study of composition utilizing the KOLB model writing process. Students will write and submit one or more KOLB model essays during the five-week course that will be evaluated for elective credit. Essays may be submitted for a period of 30 days beyond the completion of the five-week course. Essays submitted after the 30-day, extended period will not be accepted for review.

PLA Requirements

1. Students requesting PLA credit must request to be enrolled in PLA1000 Portfolio Development and complete paper(s) approved for credits. Students earn three-credit hours for a passing grade (P) for the PLA1000 course and additional credits for acceptable paper(s) submitted which are added to the student's transcript.
2. Students must finish all work for PLA1000 within the course timeline. Failure to do so may result in loss of credit for PLA1000 and/or fees being charged for the completed paper(s)/credit hours. Students desiring PLA

credit beyond that achieved in the PLA1000 course must contact their Academic Advisor and agree to specific start and end dates for submission of all work. Students will write and submit one or more KOLB model essays during the five-week course that will be evaluated for elective credit. Essays may be submitted for a period of 30 days beyond the completion of the five-week course. Essays submitted after the 30-day, extended period will not be accepted for review.

3. Students pay the regular tuition rates of \$360/credit hour for the PLA1000 course plus a transcribing fee of \$100/credit hour for all credit hours attempted.
4. No more than 12 semester credit hours for associate-level or 24 semester credit hours for bachelor-level may come from PLA. PLA credit is not available toward graduate degree requirements.

Certificate-to-Credit Program

The Certification-to-credit Program allows students to use a professional certification previously earned and apply it to a degree, saving time and money.

- An earned and current certificate must be submitted to and evaluated by the director of the academic program.
- The student must be in good academic standing with the certification at the time credit is requested.
- Contact your academic adviser as early as possible to apply for potential credits.
- Credits will be applied to the degree after 6 credits (2 courses) are completed in the degree program with a 3.0 or higher GPA.
- A transcribing fee will be charged. See financial fee schedule on p. 11 for more information.
- Certifications will come in as transfer credit; therefore, they may or may not transfer to another institution.

Segmented Transcript Policy

A student who re-enrolls at Ohio Christian University after an absence of six or more years may petition to have the transcript segmented. If the petition is approved, all courses will remain on the record, but the grades earned earlier will be removed temporarily from the cumulative grade-point average, while the hours earned will be carried forward.

Subsequent gaps of six or more years will not, however, result in further segmentation of the student's transcript.

The following provisions apply toward this policy:

Undergraduate Studies

1. A student must be re-enrolled and complete a minimum of 30 credit hours at Ohio Christian University before graduation.
2. The new, temporary grade point average will be used for determining GPA Requirements status.
3. All grades that had been temporarily removed by segmentation will be reinstated and included in determining the official grade point average for graduation. A cumulative GPA of 2.00 is required for graduation. All grades will appear on the transcript.
4. The grade point average used for consideration for entrance to academic programs and eligibility for scholarships and honor societies will be determined by the relevant officials or committees; they may at their discretion use both current and previous grade point averages or only the new, temporary grade point average.

Foreign Transcripts

Transcripts from foreign institutions must be sent to an outside agency for evaluation and determination of transferable credits, degrees, and GPA. Students are responsible for the initiation of this evaluation and for any fees incurred during the process.

Agencies approved for foreign transcript evaluation include those who are members of the National Association of Credential Evaluation Services (NACES), www.naces.org. Member agencies include but are not limited to:

- A2Z Evaluations, LLC

Students with foreign transcripts should have the evaluation completed before registration for any classes as it can take weeks for the evaluation to be received. Exceptions may be made on a case-by-case basis for students wanting to use foreign transcripts as proof of high school graduation only. Approval for such cases is needed by the Director of Admissions.

Course Load

The normal course load is 12-15 credit hours per semester, taken one course at a time. After successful completion of the first semester, the Director of Student Services may approve the following:

- Overlapping of courses provided the student's cumulative GPA is 2.70 or higher.
- A course load of 17-18 hours provided the student cumulative GPA is 2.70 or higher.
- A course load of 19-21 hours provided the student's cumulative GPA is 3.00 or higher.

NOTE: *Completing a course or program in a language other than English may reduce employability where English is required.*

MULTIPLE DEGREES, MAJORS, CONCENTRATIONS, AND CERTIFICATES

Obtaining a Second Bachelor's Degree

Students can obtain a second bachelor's degree. It is not generally in the best interest of students to do so as a master's degree will usually be more advantageous. The following conditions apply:

1. An earned baccalaureate degree from an institution that holds regional or ABHE accreditation.
2. Earn a minimum of thirty (30) credit hours beyond the first degree.
3. Complete general education and Bible/theology requirements associated with the degree declared.
4. Complete the specific requirements associated with the degree declared.
5. Complete two-thirds of the major courses within the second bachelor degree program at OCU.
6. Meet the residency requirement.
7. If the original bachelor's has already been conferred by OCU, must reapply for admission and enter under the

respective catalog. Completion will result in eligibility to participate in commencement.

Obtaining a Second Major

Students can obtain a second major while completing their degree with their originally declared major. Second majors are fully different programs (e.g., Business major as well as Psychology major). The following conditions apply:

1. Complete the specific requirements of the original major declared.
2. Complete two-thirds of the major courses within the second major's program at OCU.
3. Meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

Obtaining Additional Concentrations

Students can obtain additional concentrations while completing their degree with their originally declared major and concentration. Additional concentrations must be within the same major (e.g., Business major with concentrations in Business Management as well as Organizational Leadership). The following conditions apply:

1. Complete the specific requirements of all concentrations declared.
2. Complete all of the courses within the additional concentrations at OCU.
3. Meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

Obtaining Certificate(s)

Students can obtain certificate(s) in a separate discipline area while completing their degree with their originally declared major and concentration. Certificates are earned in an area that is not formally associated with the originally declared major and concentration (e.g., Business major with a concentration in Business Management and a certificate in Counseling). The following conditions apply:

1. Complete the specific requirements of all certificates declared.
2. All of the courses within the additional certificates must be completed at OCU.

Undergraduate Studies

3. Must meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

Obtaining Certificate(s)

Students can obtain certificate(s) in a separate discipline area while completing their degree with their originally declared major and concentration. Certificates are earned in an area that is not formally associated with the originally declared major and concentration (e.g., Business major with a concentration in Business Management and a certificate in Counseling). The following conditions apply:

1. Complete the specific requirements of all certificates declared.
2. All of the courses within the additional certificates must be completed at OCU.
3. Must meet the residency requirement.
4. If the original degree has already been conferred by OCU, must reapply for admission and enter under the respective catalog. Completion will result in notation on transcript only.

UNDERGRADUATE GRADING SYSTEM

Grades are due from the Instructor to the AGS Registrar's Office 15 days after the end date listed in SONIS. They may take several days to administratively process. Grade changes are subject to additional approvals and may take up to 10 days to administratively process.

The university operates on a four-point grading system as defined below.

Undergraduate Grade Definition

A	<i>Superior Work.</i> Implies excellence in thinking and performance in a course. High-level work that is clear, precise, well-reasoned, and insightful.
B	<i>Above Average.</i> Implies sound thinking and performance in a course. B-level work is clear, precise, and well-reasoned but does not have the depth or insight of A-level work.

C	<i>Average.</i> Implies mixed thinking and performance in a course. C-level work is inconsistently clear, precise, well-reasoned, and inconsistently demonstrates comprehension of basic concepts and principles.
D	<i>Inferior but Passing.</i> Implies poor thinking and performance in a course. D-level work is inconsistently clear, precise, well-reasoned, and inconsistently demonstrates comprehension of basic concepts and principles. (Exception: A "D" is not a passing grade for RN-BSN courses. See RN-BSN Progression Policy.)
F	<i>Failure.</i> Implies an attempt to get through a course by rote recall and reflects a mistaken comprehension of basic concepts and principles..
I	<i>Incomplete</i> are recorded temporarily in extenuating circumstances after student request and administrative approval.
W	<i>Withdrawal.</i> This grade is not used in computing the student's GPA, but it does affect completion rate.
AU	<i>Audit.</i> No credit is earned. This grade is not used in computing the student's GPA.
P	<i>Passing.</i> Credit is given for a credit/no credit course. This grade is not used in computing the student's GPA.
NC	<i>No credit.</i> No credit is given for a credit/no credit course. This grade is not used in computing the student's GPA.

Removal of "D" or "F" Grades

Students may repeat a course in which a "D" or an "F" is received for the purpose of earning a higher grade point average. When a course is repeated, the new grade will supersede the earlier grade in computing the cumulative GPA. Courses carrying a "D" or an "F" grade will remain on the transcript but the cumulative GPA will be computed using only the latest grade. This procedure is of special value to students who are placed on GPA requirement probation or suspension. It is strongly recommended that students retake "D" or "F" courses to raise the cumulative grade point average.

Undergraduate Studies

Incomplete Work

The following policy is to be applied to all students in the university who receive an "I" for incomplete work in a course.

1. A temporary grade of incomplete may be granted for some assignments when the student is prevented from finishing course work on time by extenuating circumstances, such as military service, hospitalization, or death in the immediate family. The student should demonstrate that the majority of course work has already been accomplished. Students will be assigned alternative assignments for participatory activities, team exercises, and online discussions, for class sessions approved for the incomplete. Assignments due for class sessions held prior to the incomplete may not be made up.
2. It is the student's responsibility to request an "I" grade by emailing the request and rationale to agsappeal@ohiochristian.edu. The request must be made no later than the last week of the course. If the emergency occurs in the last week of the course, the request must be made no later than 14 days after the end date of the course as noted in SONIS.
3. The student, instructor, and advisor will be notified regarding approval or denial of the appeal.
4. Students approved for a temporary grade of incomplete will be required to turn in completed work to the instructor who taught the course. The deadline for submitting work is five weeks from the end date of the course as noted in SONIS.
5. Failure to submit the incomplete work by this deadline will result in earning zero points for the incomplete work, and the final grade will be awarded accordingly.

Computing Undergraduate Grade Point Averages (GPA)

A	=	4.00	94-100 percent
A-	=	3.70	91-93 percent
B+	=	3.30	88-90 percent
B	=	3.00	84-87 percent
B-	=	2.70	81-83 percent
C+	=	2.30	78-80 percent
C	=	2.00	74-77 percent
C-	=	1.70	71-73 percent
D+	=	1.30	68-70 percent
D	=	1.00	64-67 percent

D-	=	0.70	61-63 percent
F	=	0.00	60 percent or below
I	=	0.00	temporary
W	=	No grade point value assigned	
AU	=	No grade point value assigned	
P	=	No grade point value assigned	
NC	=	No grade point value assigned	

Probation and Suspension

Students should strive to maintain an appropriate grade point average (GPA) for the degree they are seeking. When students are not able to maintain a 2.0 or "C" grade average over time they are likely to be placed on probation or suspended from the university.

- Probation is a general status placed on either new students who do not meet the full requirements for admission to Ohio Christian University or for continuing students who have not maintained a cumulative or semester GPA of a 2.0 for one or more semesters. A probation is automatically applied to incoming students with less than the required cumulative GPA on college transcripts. Students on probation may not register for more than 15 credits per semester with no overlapping courses while on probation.
- Suspension occurs when a student is not able to increase their GPA above a 2.0 or a program-specific GPA requirement for more than two consecutive semesters or does not meet the GPA requirements for the number of credit hours held by the student.

The chart below (GPA Requirements) provides a quick guide to the GPA averages that cause either probation or suspension.

Students may appeal a GPA suspension by submitting extenuating appeal information to agsappeal@ohiochristian.edu within one month of suspension notification. It should describe the extenuating circumstances, such as military service, hospitalization, or death in the immediate family.

A student who has been suspended for GPA reasons may reapply after six months from the end date of the last course. Students must appeal to agsappeal@ohiochristian.edu.

GPA Requirements for Eligibility

Students on GPA requirement probation are ineligible to participate in university-sponsored public relations groups

Undergraduate Studies

or other groups that represent the university to the public. Students on GPA requirement probation are ineligible to hold any appointed or elected office with student government or organizations.

GRADUATION HONORS

OCU AGS Honor Graduate

The College of Adult and Graduate Studies Honor Graduate is elected by the faculty and must represent the ideals of Ohio Christian University. This bachelor graduate must have distinguished himself/herself in academic achievement, Christian service, and leadership potential.

Latin Honors

The following honors are designed for bachelor's graduates. Summer bachelor graduates are eligible for these honors, but cannot be recognized at the spring commencement because their grades for summer classes are not yet completed. Those who complete associate and graduate programs are not eligible.

Students who have earned at least 60 credit hours in residency in course work which assign letter grades that affect the student's cumulative GPA must meet the following criteria:

- Summa Cum Laude (with highest honors): cumulative grade point average of 3.90 or above.

- Magna Cum Laude (with high honors): cumulative grade point average of 3.75-3.89.
- Cum Laude (with honors): cumulative grade point average of 3.50-3.74.

Students who have earned between 40 and 59.9 credit hours in residency in course work which assign letter grades that affect the student's cumulative GPA must meet the following criteria:

- Summa Cum Laude (with highest honors): cumulative grade point average of 3.95 or above.
- Magna Cum Laude (with high honors): cumulative grade point average of 3.80-3.94.
- Cum Laude (with honors): cumulative grade point average of 3.55-3.79.

GRADUATION REQUIREMENTS

To graduate a student must:

1. Complete the approved course of study for one of the majors offered.
2. Complete the hours required in the areas of general education and general electives. Bachelor degrees require 120 semester credits. Associate degrees require 60 semester credits.
3. Achieve a cumulative GPA of at least 2.0 or better (on a 4.0 scale) on all course work. For the students of the

Undergraduate Studies

Bachelor of Science in Nursing major, please refer to the RN-BSN Progression Policy on p.54 for additional graduation requirements.

4. Satisfy all financial obligations to the university and be in good standing with the university.
5. Submit Graduation Application by published deadline. Graduates may participate in commencement exercises.

Graduation requirements are subject to change.

Curriculum requirements serve as a guide to program planning and are also subject to change. Every effort will be made to communicate changes to all concerned students in a reasonable manner.

OCU reserves the right to deny graduation to any student whose character is contrary to the testimony, doctrine, and standards of the university.

Residency Requirements

In order to graduate from Ohio Christian University, candidates must have taken:

- At least 15 semester credits from OCU and have completed the final 12 credits at OCU for an associate's degree.
- 30 semester credits from OCU and have completed the final 24 credits at OCU for a bachelor's degree.

DEGREE CONFERRAL

Degrees are conferred in a rolling process to allow students who complete all program requirements to have their final transcript and diploma. Typically conferral happens monthly. Those with degrees already conferred are encouraged to participate in the next commencement ceremony.

COMMENCEMENT CEREMONY

Ohio Christian University conducts a commencement ceremony to celebrate the graduation of the students who completed their programs within the prior year. A student's name may be listed in a commencement program only once for any one degree.

1. Students wishing to participate in the commencement ceremony must:
2. Lack no more than nine credit hours to complete in summer classes.
3. Take all remaining course work from Ohio Christian University.
4. Have all requirements completed by September 1.

ACADEMIC HONORS

Academic excellence is promoted within the student body. A concerted effort is made to encourage students to succeed in their scholastic work and to experience affirmation in their college careers. There are several honors given to outstanding students.

Dean's List

Students enrolled in at least 12 "graded" credit hours who achieve a semester GPA of at least 3.50 are included on this list published on myOCU following each fall and spring semester. Ohio Christian University operates on a non-standard, rolling semester basis which means that the fall semester ends in July and the spring semester ends in December. The Dean's list is published in January (spring) and August (fall).

National Spire Honor Society

SUBSTANCE ABUSE COUNSELING

The Substance Abuse Counseling Major equips students entering the addiction recovery field. To be licensed in the field of chemical dependency counseling in Ohio, there are three requirements that must be met. They include:

1. Completion of education specific to chemical dependency counseling. The BA degree program meets more than the minimum hours required. Ohio Christian University's degree program is designed to meet this requirement of chemical dependency counseling education.
2. Appropriate supervision of chemical dependency counseling while employed in a treatment facility. For many students, this process begins after completion of the degree program.
3. Successful completion of the licensure test that is administered by the State of Ohio.

Students are eligible to apply to the Ohio Chemical Dependency Professionals board for Certified Chemical Dependency Assistant status (CDCA) once they have completed 40 clock hours (not semester hours) of chemical dependency training in specific areas. The CDCA is required to seek entry level employment and to begin supervision required prior to taking the State test for licensure. (Refer to www.ocdp.ohio.gov/. Click "Licensing" and scroll to "CDCD.")

Students who live outside of Ohio or plan to relocate to another state, should contact the appropriate state licensure board to learn of requirements unique to that state. The names of the boards can be found online at the International Certification and Reciprocity Consortium at www.internationalcredentialing.org.

Program Objectives

Students who complete the Substance Abuse Counseling major should be able to:

1. Integrate Christian principles in critical thinking and decision-making.
2. Demonstrate awareness and improvement of thinking and learning strategies.
3. Identify the needs of persons using assessment techniques, diagnostic criteria, and treatment planning.
4. Utilize appropriate counseling techniques with individuals, families, and groups.
5. Provide chemical dependency specific education to clients, families, groups and the community.
6. Design and provide aftercare.

Bachelor of Science in Nursing

BACHELOR OF SCIENCE IN NURSING

BACHELOR OF SCIENCE IN NURSING (RN-BSN)

The RN-BSN Nursing Completion program at Ohio Christian University (OCU) redefines and prepares professional nurses to deliver holistic Christian caring for individual clients and communities locally and across the globe. The vision is to be recognized as a premier RN-BSN Completion Program with compassionate graduates that consistently exemplify Christian Servant Leadership in the communities they serve.

Program Objectives

Upon completion of the RN-BSN Program, the graduate should be able to:

1. Synthesize Christian principles, evidence-based practice, and interdisciplinary perspectives to make decisions across complex issues for improved outcomes for clients across the life span and organizations.
2. Utilize theories and concepts from the arts, humanities, and the Bible to improve critical thinking, teaching-learning effectiveness, and leadership/management strategies.
3. Demonstrate Christian caring and client-centered care as priority professional practice values.
4. Apply information and communication technologies to facilitate client-focused, culturally diverse.
5. Practice self-care management.
6. Articulate state, national, and global healthcare trends in policy, finance, and regulatory environments.
7. Analyze the value of life-long learning and service to the profession and the community.

The RN-BSN Progression Policy

The BSN progression policy applies to courses with an NUR prefix, HCM3100, NUR4000, and BUS3010. To successfully complete these particular courses within the BSN program, a student must be assigned a final course grade of C or better. Any of the aforementioned courses in which a final grade is lower than a C can be repeated once with the last grade replacing the previous grade in the cumulative GPA. Failure to achieve a satisfactory grade of C or better in a course after a second attempt will result in academic suspension and ineligibility to continue in the BSN program.

These graduate programs are designed to bring a new level of effectiveness to those desiring to make a difference in their world.

INTERNATIONAL STUDENT POLICY

The university complies with U.S. government regulations for foreign students. Due to strict government regulations, the university has detailed requirements pertaining to foreign students. It is the responsibility of foreign students to obtain the proper documents and to furnish the university with

these documents. Before a student can receive his/her I20 to obtain a visa, certain requirements must be met: The student must pass an English proficiency test. Ohio Christian University accepts the following tests of English as a second language:

- Test of English as a Foreign Language (TOEFL): minimum score of 550 paper based, 213 computer based, or 79 Internet based.
- IELTS - minimum 6.0.

The students must show, at the university's discretion, the ability to finance his/her education for the entire length of their program.

TRANSFER CREDIT

Ohio Christian University may accept up to nine graduate semester credits in transfer from a regionally accredited institution for graduate programs. If graduate credit is from an institution that is not regionally accredited but meets all other stipulations, the credit will be accepted only after probationary study at OCU of 18 graduate credit hours and achievement of 3.0 average or better. The following criteria are used to assess transfer credit:

- The course is no more than 10 years old.
- The course is equivalent to the course being substituted.
- A minimum grade of "B" was earned for the course.
- The course was not earned for a degree that was already conferred.

An advanced standing request must be made prior to the semester in which the course in question occurs.

CERTIFICATION-TO-CREDIT GRADUATE PROGRAM

The Certification-to-credit Program allows students to use a professional certification previously earned and apply it to a degree, saving time and money.

- An earned and current certificate must be submitted to and evaluated by the director of the academic program.
- The student must be in good academic standing with the certification at the time credit is requested.
- Contact your academic adviser as early as possible to apply for potential credits.

Graduate Studies

- Credits will be applied to the degree after 6 credits (2 courses) are completed in the degree program with a 3.0 or higher GPA.
- A transcripting fee will be charged. See financial fee schedule on p. 11 for more information.
- Certifications will come in as transfer credit; therefore, they may or may not transfer to another institution.

ADMISSION REQUIREMENTS

Application Process

Students must complete the admissions process before they are eligible to start classes. Materials which must be included in the file before being considered for graduate admission are:

- Official transcripts from the baccalaureate degree-granting institution. Transcripts are also required from any graduate institution if a student is transferring hours to OCU. Transcripts must come directly from the sending institution to OCU's College of Adult and Graduate Studies via fax or via mail in a sealed envelope.
- Completed and signed application and application fee paid (non-refundable).
- 1 Ministry Reference Form (Master of Arts in Ministry program only).

Readmit: See Applicable Catalog on p. 31.

Vaccinations

The College of Adult & Graduate Studies does not require the submission of health/immunization records for admission or enrollment. The College recommends that all applicants, students, and their families review the list of recommended vaccines that has been compiled by the American College Health Association (ACHA) with assistance from the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC). The College also recommends that all students maintain these recommended vaccinations.

Probationary Admission

If an applicant meets all other requirements except GPA, the applicant may be accepted on GPA requirement probation. Students placed on GPA probation who do not have an overall GPA of at least 3.0 after attempting 9 credits will be suspended from the program.

Master of Arts

Applicants should meet the following admissions criteria:

- A baccalaureate or graduate degree from a college or university accredited by a regional accrediting body or the ABHE verified on original transcripts sent by the institution directly to Ohio Christian University.
- An undergraduate grade point average (GPA) of 3.0 or higher from the baccalaureate degree granting institution.
- Ministry Reference Form.

Any applicant not meeting the above-stated requirements may petition for consideration.

Master of Business Administration or Master of Management

The university has set the following requirements for these graduate programs:

- A baccalaureate or graduate degree from a college or university accredited by a regional accrediting body or the ABHE verified on original transcripts sent by the institution directly to Ohio Christian University.
- An undergraduate grade point average (GPA) of 3.0 or higher from the baccalaureate degree granting institution.

Any applicant not meeting the above-stated requirements may petition for consideration.

COURSE LOAD

The minimum full-time student load is 18 graduate semester credits per year.

NOTE: Completing a course or program in a language other than English may reduce employability where English is required.

GRADUATE GRADING SYSTEM

Grades are due from the Instructor to the AGS Registrar's Office 15 days after the end date listed in SONIS. They may take several days to administratively process. Grade changes are subject to additional approvals and may take up to 10 days to administratively process.

The university operates on a four-point grading system as defined below.

Graduate Studies

Graduate Grade Definition

A *Superior Work.* Implies excellence in thinking and performance in a course. High-level work that is clear, precise, and well-reasoned, and insightful.

B *Above Average.* Implies sound thinking and performance in a course. B-level work is clear, precise, and well-reasoned but does not have the depth of insight that A-level work had.

C *Average.* Implies mixed thinking and performance in a course. C-level work is inconsistently clear, precise, well-reasoned, and inconsistently demonstrates comprehension of basic concepts and principles.

F *Failure.* Implies an attempt to get through a course by rote recall and reflects a mistaken comprehension of basic concepts and principles.

I *Incomplete.* Incompletes are recorded temporarily in extenuating circumstances after student request and administrative approval.

W *Withdrawal.* This grade is not used in computing the student's GPA, but does affect completion rate.

AU *Audit.* No credit is earned. This grade is not used in computing the student's GPA.

Computing Graduate Grade Point Average (GPA)

Letter grades are assigned numerical values according to the chart below:

A	=	4.00	94 - 100 percent
A-	=	3.70	91 - 93 percent
B+	=	3.30	88 - 90 percent
B	=	3.00	84 - 87 percent
B-	=	2.70	81 - 83 percent
C+	=	2.30	78 - 80 percent
C	=	2.00	74 - 77 percent
F	=	0.00	73 percent and below
I	=	0.00	temporary
W	=	No grade point value assigned	
AU	=	No grade point value assigned	

Incompletes

The following policy is to be applied to all students in the university who receive an "I" for incomplete work in a course.

1. A temporary grade of incomplete may be granted for some assignments when the student is prevented from finishing course work on time by extenuating circumstances, such as military service, hospitalization, or death in the immediate family. The student should demonstrate that over fifty percent of course work has already been accomplished.
2. It is the student's responsibility to request an "I" grade by completing the Incomplete web form on MyOCU or emailing the request and rationale to agsappeal@ohio-christian.edu. The student is required to include documentation as evidence of the extenuating circumstance and should demonstrate that the majority of the course work has already been accomplished. The request must be made no later than the last week of the course. If the emergency occurs in the last week of the course, the request must be made no later than 14 days after the end date of the course as noted in SONIS.
3. The student, instructor, and advisor will be notified regarding approval or denial of the appeal.
4. Students approved for a temporary grade of incomplete will be required to turn in completed work to the instructor who taught the course. The deadline for submitting work is five weeks from the end date of the course as noted in SONIS. Students will be assigned alternative assignments for participatory activities, team exercises, and online discussions, for class sessions approved for the incomplete. Assignments due for class sessions held prior to the incomplete may not be made up.
5. Failure to submit the incomplete work by this deadline will result in earning zero points for the incomplete work, and the final grade will be awarded accordingly. The incomplete deadline cannot be extended.

GPA Requirements

1. GPA Requirement Probation Status:
 - a. Students admitted on a probationary basis because they do not meet the minimum GPA for regular admission are placed on GPA Probation.
 - b. A student is placed on GPA requirement probation if his/her cumulative GPA is not at least 3.0 at the end of a semester. If cumulative GPA is not at least

Graduate Studies

3.0 after attempting 9 more credits, the student will be suspended.

- c. No more than 3 credits may be earned with course grades of C or C+. Additional courses with a grade of C or C+ must be retaken.
2. GPA requirement suspension appeal may be submitted to agsappeal@ohiochristian.edu within one month of notification of suspension, and should describe the extenuating circumstances, such as military service, hospitalization or death in the immediate family.
3. Readmission: A student who has been suspended for GPA reasons may reapply after six months from the end date of the last course.

GRADUATION REQUIREMENTS

Students are personally responsible for meeting all requirements for graduation. To graduate a student must:

1. Complete the approved course of study for one of the graduate programs offered.
2. Achieve a cumulative GPA of at least 3.0 or better (on a 4.0 scale) on all course work. No more than 3 credits may be earned with course grades of C or C+. Beyond that maximum, courses with a grade of C or C+ must be retaken.
3. Satisfy all financial obligations to the university and be in good standing with the university.
4. Submit Graduation Application by published deadline, accompanied by the non-refundable Graduation Fee. Graduates may participate in commencement exercises. Graduation requirements are subject to change.

Curriculum requirements serve as a guide to program planning and are also subject to change. Every effort will be made to communicate changes to all concerned students in a reasonable manner.

OCU reserves the right to deny graduation to any student whose character is contrary to the testimony, doctrine, and standards of the university.

Residency Requirements

In order to graduate from Ohio Christian University with a master's degree, candidates must have taken at least 23 graduate semester credits (for MA) or 27 credits (for MBA or MA in Leadership) from OCU. Students must complete all program requirements within seven years.

DEGREE CONFERRAL

Degrees are conferred in a rolling process to allow students who complete all program requirements to have their final transcript and diploma. Typically conferral happens monthly. Those with degrees already conferred are encouraged to participate in the next commencement ceremony.

COMMENCEMENT CEREMONY

Ohio Christian University conducts a commencement ceremony to celebrate the graduation of the students who completed their programs within the prior year. A student's name may be listed in a commencement program only once for any one degree.

Students wishing to participate in the commencement ceremony must:

1. Lack no more than six credit hours to complete in summer.
2. Take all remaining course work from Ohio Christian University.
3. Have all requirements completed by September 1.

Students in this course will become acquainted with human services policies and the legislative and private sector processes of policy formation. Students will also develop a deeper understanding of the ways in which public policy is made, with a particular emphasis on the roles of advocacy campaigns, which are often influenced by policy analysis.

HSV4100 Ethics in Human Services (3 credits) 5 weeks

Students in this course will become acquainted with the principles of professional ethics in the field of Human Services with primary attention given to the Code of Ethical Standards for Human Services Professionals.

HSV4200 Leadership and Administration (3 credits) 5 weeks

This course considers the principles of leadership and administration within the field of human services. Attention is given to personal assessment and the development of leadership capabilities.

HSV4300 Human Services Capstone Course (3 credits) 5 weeks

This course examines the theoretical and practical application of the skills and techniques that advance the needs of culturally diverse client communities, which includes a plan of advocacy for services from various agencies and/or institutions. Students will identify an issue or problem, develop an action plan, and complete sufficient research to produce a final project that incorporates an understanding of the Code of Ethical Standards for Human Services Professionals.

INT4800 Interdisciplinary Studies Capstone (3 credits) 5 weeks

Examination of interdisciplinary scholarship and problem solving, with application based on students' areas of emphasis in the major.

IST2000 Computer and Networking Essentials I (3 credits) 5 weeks

This course will provide the basic knowledge of computer hardware, software, and operating systems. Students should build an understanding of operating system configurations and maintenance, client systems, and managing applications. Additionally, students should also increase their knowledge and understanding of networking concepts and acquire the required skills to prepare for a career in network support or administration.

IST2010 Computer and Networking Essentials II (3 credits) 5 weeks

This course will provide knowledge of computer hardware, software, and operating systems. Students should be able to apply their knowledge and understanding of networking concepts. This course applies required skills to prepare for a career in network support or administration.

Prerequisite: IST2000 Computer and Networking Essentials I

IST2020 Business Applications (2 credits) 4 weeks

This course is designed to utilize an exercise-oriented approach that allows for the development of the student's knowledge about Microsoft Excel. In particular, this course will emphasize the many features and components of the application. The course will facilitate the student's learning beyond introductory knowledge of Excel and will begin to explore more complex functions and features.

IST2050 Intermediate Networking (3 credits) 5 weeks

IST2050 is a comprehensive study of computer networks. Each building block of the general network architecture is examined in detail. The course includes a thorough discussion of both wired and wireless networking technologies. Topics include the analysis of the framework, design and configuration of a TCP/IP network. The student will acquire practical knowledge in applying networking concepts in a typical network of Windows computers.

NOTE: Course definition is pending the Curriculum and Assessment Committee approval.

IST2100 Security Fundamentals (3 credits) 5 weeks

IST2100 is a comprehensive study of security threats, prevention and detection technologies and security policies and planning. The student will gain an understanding of the threat environment in today's information systems and the application of security tools to reduce threat exposure. The course provides information to enable the student to develop security policies that protect an organization from security risks.

NOTE: Course definition is pending the Curriculum and Assessment Committee approval.

IST2200 Information Systems Security (3 credits) 5 weeks

[TBD]

Course Descriptions

IST2300 Operating Systems I (3 credits) 5 weeks

This course introduces the basic concepts of operating systems. The student will acquire detailed knowledge of the Windows operating system and practical skills in installing, configuring and maintaining this operating system. Other popular operating systems will be introduced including OS X, iOS, Android and Linux.

IST2400 Database Systems I (3 credits) 5 weeks

This course introduces the concepts of relational databases and basic relational database design and maintenance. The student will gain knowledge of design concepts such as records, tables, data types and table normalization. This course also includes the concepts of reading database data through queries using query functions and linked tables. A brief introduction to the SQL query language will be presented. Popular relational database software will be discussed along with alternate database technologies. Students will interact with these concepts using a relational database software program.

IST2500 Programming I (3 credits) 5 weeks

This is an introductory course in computer programming. Using the JAVA programming language the student gains knowledge and interact with the concepts of program design and the fundamentals of computer programming including data types and program flow constructs. Techniques for processing data programmatically such as data arrays and data algorithms are discussed. The idea of efficient program design is taught through the introduction of functions.

IST2800 Information Technology Capstone (3 credits) 5 weeks

This course integrates student learning from the Information Technology major courses requiring the synthesis of learned skills in IT computer, networks, systems, databases, and programming.

IST3000 Human Factors in Information Technology

(3 credits) 5 weeks

There is an increasing emphasis on how human factors affect technology systems. This course explores several aspects of this emerging field. Topics include the study of social and organizational impact of technology, and understanding the user experience in relation to individual and group application of technology.

IST3040 Business Information Systems (3 credits) 5 weeks

This course will examine computerized information systems and how data is captured, processed, and communicated. Students will learn about the fundamental concepts and technologies used in business information systems. A practical hands-on look at how (intermediate) Microsoft Excel and (beginning) Microsoft Access can be integrated within business information systems will be covered.

IST3100 Data Analytics I (3 credits) 5 weeks

This course provides an introduction to a broad view of data analytics through the use of fundamental techniques and tools in analyzing large amounts of data.

IST3110 Information and Network Security (3 credits) 5 weeks

The information and network security course is an introduction to the basic tenets of information systems security. A wide range of security topics are discussed including those related to securing the network, securing applications, securing data and securing host computers. In addition, the aspects of compliance and operation security, access control and identity management are examined. Theoretical and practical information about threats and vulnerabilities is presented along with a study of cryptography.

Prerequisite: IST2000, IST2010

IST3300 Operating Systems II (3 credits) 5 weeks

The students will survey current topics in operating systems such as processor, memory and storage technology. The concepts of both virtualization and the virtual desktop are explored along with cloud computing. The course covers the unique aspects of targeted application of operating systems such as server, tablet, and mobile computing.

Prerequisite: IST2300

IST3400 Database Systems II (3 credits) 5 weeks

This course is a hands-on course based on the MySQL open source database software. By interacting with the MySQL database, the student will practice the skills required to install, configure, secure and maintain an enterprise database system. The student will be guided through the process of designing and creating a simple database, and interacting with the database through applications and programming languages.

Prerequisite: IST2400

Course Descriptions

IST3500 Programming II (3 credits) 5 weeks

Programming II introduces the student to programming for the World Wide Web. The fundamental web page definition and scripting languages, HTML and Javascript, are covered in this course. The student will learn to create complex web pages and discover how scripting is used to enhance those pages. Techniques to create mobile friendly web pages is discussed. A survey of automated web page creation tools is examined along with the appropriate use of these tools.

Prerequisite: IST2500

IST4000 Information Technology Project Management (3 credits) 5 weeks

This course develops a foundation of principles and solutions that support IT project management through all lifecycle phases, including initiation, planning, executing, monitoring and controlling, and closing.

IST4100 Data Analytics II (3 credits) 5 weeks

Data Analytics II draws on the basic information in the first course to apply data management to solving business problems.

Prerequisite: IST3100

IST4110 Systems Analysis and Design (3 credits) 5 weeks

The Systems Analysis and Design course prepares the student to plan, analyze, design, implement, and maintain information technology systems following the System Development Life Cycle (SDLC) framework. The course examines methods and models that can be used to develop and document the requirements for an information system. Discussion of processes and procedures to design, procure, implement, and maintain systems is included. Also, the course provides an introduction to industry standard methods and tools that support the SDLC process such as UML, Use Case analysis, Rapid Application Development and CASE.

IST4200 Cyber Law and Ethics (3 credits) 5 weeks

This course examines managing the ethical and legal issues that arise in the use of the Internet. Emphasis is given to areas of privacy, intellectual property, freedom of expression, and e-commerce.

IST4300 IT Application, Acquisition, and Implementation (3 credits) 5 weeks

This course provides the student with necessary knowledge to manage the many decisions and activities required to acquire

and implement an information system project. Knowledge to make strategic decisions based on consideration of technical, business, human, political and legal factors that affect the process is discussed. Understanding of the issues involved in vendor selection and relationship management are included. Examination of the human aspects related to information system projects is considered including change management, education and training.

IST4400 SQL for Data Management (3 credits) 5 weeks

The SQL for Data Management is a practical skills course that introduces the student to the SQL database programming language. The course provides practical experience in using the SQL language to write various queries to extract meaningful data from a relational database.

IST4500 Systems Administration (3 credits) 5 weeks

Systems Administration introduces the student to the concepts and skills necessary to design, install, and maintain a computer network. The Microsoft Windows network is used as a model to demonstrate and provide real world application.

IST4700 Advanced Topics in Information Technology (3 credits) 5 weeks

This course provides the student an opportunity to investigate an area of Information Technology that is of special interest through research or experience.

IST4800 Information Technology Capstone (3 credits) 5 weeks

This course integrates student learning from the Information Technology major courses requiring the synthesis of learned skills in IT systems, databases networks, and security.

IST4800 IT Capstone (3 credits) 5 weeks

This course integrates student learning from the Information Technology major courses requiring the synthesis of learned skills in IT systems, databases, networks, and security.

IST4810 Data Analytics Capstone (3 credits) 5 weeks

This course integrates student learning from the Data Analytics major courses requiring the application of learned skills in analyzing data, making predictions, and identifying, evaluating, and capturing business analytic opportunities that create value.

Course Descriptions

LFC1500 Introduction to Life Calling (3 credits)

This course focuses on students developing an understanding of the concept of life calling and the discovery of one's God-given design as a basis for this calling. Students are led to understand how work and individual leadership is best understood from this life calling perspective. Students will evaluate their foundational values, unique design, and personal mission as well as examine each component in an in-depth, integrated portfolio.

LGM3000 Logistics Management (3 credits) 5 weeks

This course provides an overview of the role of logistics in business. Students examine the principles of customer service, ways to plan and manage supply chains, and steps for arranging product transportation and distribution. Students gain practical application and the ability to create logistic strategies.

LGM4000 Transportation Systems (3 credits) 5 weeks

Develops an understanding of the strategic role of freight transportation systems in supply chain networks. Emphasis is given to the components of transportation systems, including inter-modal and intra-modal competition, their technological features, operational processes and cost conditions, the buyer-seller channels for acquiring transportation services, and the strategic and tactical alternatives for transport procurement.

Prerequisite: LGM3000

LGM4010 Warehousing and Terminal Management

(3 credits) 5 weeks

Focuses on the administration of warehouse and inventory management in logistics systems with analysis of customer service, forecasting inventory, investment, layout design, and operation.

Prerequisite: LGM3000

LGM4020 Strategic Procurement (3 credits) 5 weeks

Offers special emphasis on the analysis of supply markets, supplier selection, building and maintaining key supplier relationships for long-term success, strategic planning, and use of information technology. This course develops an understanding of the strategic framework, managerial issues, and best practices related to the planning and execution of "source" processes.

Prerequisite: LGM3000

LGM4030 Logistics Security (3 credits) 5 weeks

This course covers the vulnerabilities of and measures to secure the domestic and global transportation and supply chain networks. Topics covered include security organizations, security-related legislation and strategies, security programs, maritime transportation security, containerized cargo security, land transportation security, food chain security, pharmaceutical chain security, utilities security, cyber security, first response and recovery, and supply-chain security technologies.

MAT1000 Introduction to Math Systems (3 credits) 5 weeks

The purpose of this course is to create a deeper understanding and appreciation of mathematical procedures for the student with limited mathematical background. In this survey course, students will learn numeration systems, number theory, rational numbers, and introduction to algebra, geometry, and statistics.

MAT2000 Calculus I (3 credits) 5 weeks

This course explores the concept of limits and the development of the derivative, including basic techniques of differentiation and an introduction to integration, with applications including rates of change, optimization problems, and curve sketching using a variety of functions (polynomial, rational, exponential, logarithmic, etc.).

MAT2100 Pre-calculus (3 credits) 5 weeks

Course is under development.

MAT2110 Discrete Mathematics (3 credits) 5 weeks

Discrete mathematical structures are foundational in the areas of information technology and programming. Various topics in discrete mathematics specifically related to computer science such as computer number systems and arithmetic, logic theory, proof methods, set and graph theory and explicit and recursive functions will be discussed in this course. Students will interact with these concepts using symbolic, graphical, numerical and written forms.

MAT2200 Calculus II (3 credits) 15 weeks

The purpose of this course is to build on the information and skills students learned in Calculus I. In this course,

Course Descriptions

students will learn more about antiderivatives, the definite integral, the Fundamental Theorem of Calculus, and infinite sequences and series.

Prerequisite: MAT2000 Calculus I

MAT3300 Statistics (3 credits) 5 weeks

Statistics is the method of conducting a study about a particular topic by collecting, organizing, interpreting, and finally presenting data. This course prepares the student to perform statistical analysis of data sets. Topics include descriptive statistics, probability, sampling distributions, interval estimation, hypothesis testing and regression.

MAT5000 Historical and Cultural Foundations of Mathematics

(3 credits) 6 weeks

MAT5000 introduces students to the development of mathematics across time, geography, and culture within a Biblical worldview. Students will consider how these influences shape the study and instruction of mathematics, with attention given to quantitative reasoning, covariational reasoning, and problem solving play in learning major ideas of mathematics.

Prerequisite: Must meet graduate admissions standards.

MAT5100 Probability (3 credits) 6 weeks

MAT5100 introduces students to basic concepts of probability. Topics include sample spaces, computation rules, discrete and continuous probability distributions, random variables, multivariate distributions, and the Central Limit Theorem. Students are expected to be familiar with single-variable differential and integral calculus.

Prerequisite: Must meet graduate admissions standards.

MAT5200 Statistics (3 credits) 6 weeks

MAT5200 provides an introduction to statistical methods and data analysis. It is intended for graduate students who have completed an undergraduate course in statistics and wish to continue their studies.

Prerequisite: Graduate Admission

Highly Suggested: MAT5100 Probability or equivalent

MAT5300 Teaching Geometry, Grades 7-12 (3 credits) 6 weeks

This course explores geometry concepts, geometry curricula, and current pedagogical standards reinforced by the National Council of Teachers of Mathematics and the Ohio Council of Teachers of Mathematics.

Prerequisite: Graduate Admission

MBM5010 Dual Masters Graduate Essentials (1 credit) 4 weeks

Students enter the Ohio Christian University MBA and MA in Ministry with a wide variety of academic, work, and life experiences. As the first course for all entering students, Graduate Essentials begins the process of capitalizing on the student's previous experiences, and reviews the primary skills and tools necessary to succeed in the remainder of the program. The course is an overview of writing, research, team collaboration, communication, and problem solving while building the student's self-awareness of personal strengths.

MBM5100 Dual Masters Essentials (2 credits) 6 weeks

Business and Ministry Essentials capitalizes on the student's wide variety of experiences and assures the skills and tools necessary to succeed in the remainder of the Dual Masters program. The course is a rigorous overview of accounting, Biblical studies, economics, finance, marketing, management theories, and theology building the student's self-awareness and skills in communication, team collaboration, leadership, and problem solving.

(This course is the prerequisite for the remaining courses in the Dual Masters program.)

MGM6800 Dual Masters Capstone (3 credits) 6 weeks

This course serves as the culmination and integration of the learning from all Masters of Business Administration and Master of Arts in Ministry courses. There will be a synthesis of business administration strategies with the integration of their Personal Credo and Philosophy of Ministry in a capstone project.

MGT1000 Introduction to Management (3 credits) 5 weeks

This course introduces learners to accepted management principles from both a historic and contemporary perspective with application to both not-for-profit and for-profit organizations.

MGT3000 Personal Leadership (3 credits) 5 weeks

This course focuses on developing personal leadership skills by exploring self-concept, self-esteem, personal values, time and stress management, as well as self-management in conflict situations. Habits for effectiveness in personal leadership will also be covered.

Course Descriptions

MGT3020 Managers in Organizations (3 credits) 5 weeks

This course covers the roles managers can and do play (past, present, future) to create and modify organizations in their quest to fulfill the organizational mission. An analysis of the interaction of an organization with the goals, priorities and strategies of employees is studied as well.

MGT3100 Organizational Leadership (3 credits) 5 weeks

This course addresses effective models of organizational leadership by examining the impact of administrative structure, power and politics, conflict resolution, and motivation within the context of the organizational culture.

MGT4000 Leading Change (3 credits) 5 weeks

Change is an ever present reality in the 21st century and a certain requirement for organizational growth. Corporations and non-profits alike are challenged to successfully respond to their external environments and internal realities with new and effective ways of doing business. This course examines classic theoretical constructs of leadership, systems of organizational culture, and models and processes involved in successful organizational change. The learner will make application of this theory in his or her own organizational setting.

MGT4060 International Studies (3 credits) 5 weeks

This intensive, international study course includes a required trip of approximately one week during which students deal with the management challenges of companies outside of the United States. Areas of study include special challenges for global management, marketing, political and economic risk management, supply chains, cultures and human resources. Special emphasis is on the discussion of similarities and comparisons of the aforementioned aspects of the country visited to those experienced and studied in the United States.

MGT4100 Global Leadership (3 credits) 5 weeks

This course will consider current issues and trends in global leadership as well as the challenges that arise while leading in a global setting. The course will assist students in developing their knowledge, attitudes, skills, and aspirations regarding the theory and practice of leadership in the context of the challenges created by global organizations and societies.

MGT4200 Psychology of Leadership (3 credits) 5 weeks

This course presents the psychological underpinning of leadership. Classic experiments on obedience, conformity, social influence, impression management, and will be presented to demonstrate how the power of situation influences leader and follower behavior.

MGT4300 Leadership Communication (3 credits) 5 weeks

This course demonstrates communication techniques used by effective leaders by analyzing classic speeches, correspondence, and other modes of communication. Communication development opportunities will be available for students to practice personal skills. Students will also explore personality and emotions throughout communication.

MGT4400 Fundamentals of Nonprofit Organizations (3 credits) 5 weeks

This course focuses on the dynamics of nonprofit organizations. Students will explore the uniqueness of developing nonprofit organizations.

MGT4410 Nonprofit Management and Leadership (3 credits) 5 weeks

Management and leadership for nonprofits requires an understanding of the principles of servant leadership. Students learn how to apply servant leadership practices to the daily management of nonprofits

MGT4420 Nonprofit Governance (3 credits) 5 weeks

Nonprofits utilize volunteer boards and other organizational structures to guide the organization. This course outlines principles of building volunteer boards, understanding governmental policies, and creating guidelines.

MGT4430 Nonprofit Fundraising and Financial Stability (3 credits) 5 weeks

This course introduces students to various funding processes to establish or maintain financial stability.

MGT4800 Management Capstone (3 credits) 5 weeks

Offers an overall view of managing an organization by challenging students to integrate learning from all course work in solving complex management problems.

Prerequisite: Completion of BA program major courses and/or concentration courses.

Course Descriptions

MGT6020 Advanced Organizational Behavior (3 credits) 6 weeks

This course investigates the importance and impact of individual and organizational behavior upon the culture, climate, and structure of an organization. The practical application of human resource theories in the organization is introduced, emphasizing the relevance of the theories to contemporary events.

MGT6040 International Business Management (3 credits) 5 weeks

This course deals with the challenges of managing in a culturally diverse organization. The course focuses on internal management practices necessary for operating effectively in a multi-cultural environment. Areas of study include special challenges for management of multi-national operations, managing diverse cultures, and multi-national/multi-cultural human resource management.

This course may be replaced with MGT6060 International Studies (see Electives Section).

MGT6050 Leading Change (3 credits) 6 weeks

Course description is under construction. Contact the program director.

MGT6060 Theory and Practice of Leadership (3 credits) 6 weeks

This course will investigate the importance and impact of leadership on the function and performance of organizations. The topics covered will also include organizing, leading, and controlling groups and organizations, along with a survey of current literature on the topic of leadership.

MGT6070 Global Business Environment (3 credits) 6 weeks

This course deals with the management challenges of multi-national enterprises (MNEs). Areas of study include special challenges for global management both internal and external to the organization. The socioeconomic impact of multi-national locations on the organization, and the organization's impact on the areas in which it has locations are examined. The course also covers current challenges and controversies related to globalization.

This course may be substituted with MGT6060 International Studies (see Electives Section).

MGT6080 Strategic Leadership (3 credits) 6 weeks

This course includes an examination of the processes and approaches of strategic leadership beginning with the setting

of direction through the defining of the organization's mission and vision. The analysis of the development, implementation, and attainment of measurable strategic goals will include a review of how managers' evaluate internal and external environments as part of this process.

MGT6100 Nonprofit Strategic Planning and Sustainability (3 credits) 6 weeks

This course examines the latest strategic planning processes. Students will apply strategies in developing sustainability plans.

MGT6110 Program Planning and Evaluation for Nonprofits (3 credits) 6 weeks

This course exposes students to program development methods that build on purpose and vision statements of organizations. Specific focus is to provide strategies to developing and evaluating life-changing programs.

MGT6500 Ethics in Leadership (3 credits) 6 weeks

This course is designed to analyze and evaluate ethical, legal, and moral issues facing individuals and within the context of a Christian biblical worldview. Students will be challenged to critically examine the challenges for leaders and managers to infuse and support ethical principles in an organizational culture.

MGT6800 Applied Business Management Capstone (3 credits) 6 weeks

Skills and competencies are applied to actual management situations. Students develop cross-functional business solutions. This course serves as the culmination and integration of the learning from all MM courses. There will be a synthesis of organizational and management strategies and practices from organizational behavior, leadership, marketing, financial analysis, and ethics.

Prerequisite: Completion of all other program requirements.

MIN1000 Survey of Christian Education (3 credits) 5 weeks

This course is a study of the biblical introductory and contemporary basics of evangelical Christian education. The study will be a comprehensive overview of the field of Christian education with a focus on the teaching/learning process in the local church. A secondary emphasis will be on Christian education in the family and other settings.

Course Descriptions

MIN1040 Principles of Worship (3 credits) 5 weeks

Class instruction in scriptural principles and methods of worship, coupled with field experience exposing the student to varied worship styles, and are employed to equip the student to critically analyze worship practices.

MIN1100 Survey of Children's Ministry (3 credits) 5 weeks

This course is a study of the nature and needs of childhood with special attention to nurturing and enriching the moral and spiritual development of the child. Students will gain skills in the practical application in planning the Church's ministry to and for children.

MIN1200 Survey of Youth Ministries (3 credits) 5 weeks

This course explores current trends in youth ministry found within the evangelical church and youth culture abroad, while giving special emphasis to practical tools and techniques that may be implemented to grow the youth ministry programs of a local church and beyond.

MIN1400 Personal Stewardship (3 credits) 5 weeks

This course is designed to assist the student in being a good steward of God-given resources. While mainly concentrating on finances (budgeting, debt, giving, investing), this course will also lead the student to better choices concerning careers, honesty, wise council, time management, and planning for the future. The student will complete an analysis of his/her current situation and develop an effective plan to become a better steward.

MIN2020 Evangelism and Discipleship I (3 credits) 5 weeks

A study of evangelism, focusing on examples of effective evangelism in the First Century, and applying those principles into an effective methodology for the Twenty-First Century, with special emphasis on the foundation of spiritual revival, prayer, building healthy relationships, and starting the convert on the journey of discipleship.

MIN2040 Christian Ministry Administration (3 credits) 5 weeks

This is a study of the multiple roles of leaders in Christian ministry in the context of the Church and its varied ministries. Special emphasis will be given to the impact that lay and pastoral leaders have on the quantitative growth of the Church.

MIN2800 Ministry Practices (3 credits) 5 weeks

This course summarizes the life and work of the pastor.

Prerequisite: MIN1400, MIN2040, MIN1000

MIN3000 Christian Excellence (3 credits) 5 weeks

This course focuses on the attitude of the individual and how it impacts the ability and willingness to strive towards Christian excellence. Students will also be introduced to reflecting on personal value systems, analyze techniques to exemplify Christian modeling, and exploring the transition from success to excellence.

MIN3010 Pastoral Ethics (3 credits) 5 weeks

This course introduces to those called to ministry in traditional settings ethical codes that inform the critical thinking of care givers. The parameters that will be discussed through the use of case studies are designed to challenge ministers to a higher level of both thinking and acting as representatives of Jesus Christ. Such practices protect both the pastor and those to whom he or she ministers.

MIN3015 Church Administration (3 credits) 5 weeks

A study of the concepts, principles, and methods needed to organize the ministries of a local church. Special emphasis will be given to understanding and being able to apply the practices necessary to construct a strategic plan for a local congregation.

MIN3025 Foundations of Teaching and Preaching (3 credits) 5 weeks

This course introduces the principles and skills necessary to effectively communicate Scripture through teaching and preaching delivery. Practical application assignments will be made, and reports/presentations will be given.

MIN3030 Evangelism and Discipleship II (3 credits) 5 weeks

A study of the nature, purpose, and process of biblical evangelism and its application to various ministries; a study of New Testament discipleship principles and their application, with a special emphasis upon building discipling relationships and small group ministry.

MIN3050 Exploring Christian Ministry (3 credits) 5 weeks

This course is an introductory course that will assist the learner in developing the research and writing skills necessary for success in the ministry program. The course also gives

Course Descriptions

special attention to building an awareness of calling, the personal and professional character of the minister, and the practice of ministry.

MIN3150 Ministry Leadership (3 credits) 5 weeks

This course focuses on leading churches and other ministries with a biblical worldview, strategic planning, and effective management of people and resources. Special attention will be giving to entrepreneurial thinking, planning, and leading for advancing the Gospel.

MIN3200 Spiritual Formation in the Evangelical Church (3 credits) 5 weeks

This course integrates foundational Christian doctrine with personal experience in the journey toward wholeness in Christ. The course will be emphasizing scripture, discipline, and community as essential patterns of devotion.

MIN4025 Advanced Teaching and Preaching (3 credits) 5 weeks

This course is designed to build upon prior learning and experience with preaching and teaching. The focus of this course will be on the construction and delivery of narrative and expositional preaching and teaching of the Gospel.

MIN4100 Fundamentals of Church Planting (3 credits) 5 weeks

This course is designed to equip church planters to develop their own church planting vision, mission, and the supporting processes and systems. The course will focus on the development of a strategic plan for establishing a church in a community.

MIN4200 Sacraments and Rituals in the Evangelical Church (3 credits) 5 weeks

This course introduces the biblical and theological concepts of sacraments in the life of God's people and enables students to design meaningful ways to celebrate both sacraments and other spiritual rituals in congregational worship and life.

MIN4300 Growing a Great Commission Church (3 credits) 5 weeks

This course is designed to provide the skills to grow a new church after the launch. The course will look at how to continue to develop a spiritually focused and strategically mobilized church to fulfill its role in God's global mission.

MIN4300 Growing a Great Commission Church (3 credits) 5 weeks

This course is designed to provide the skills to grow a new church after the launch. The course will look at how to continue to develop a spiritually focused and strategically mobilized church to fulfill its role in God's global mission

MIN4800 Ministry Capstone (3 credits) 5 weeks

Offers an overall view of leadership in religious ministry by challenging students to integrate learning from all course work in solving complex leadership and ministry problems and clarifying their ministry philosophy.

MIN5000 Ministry Essentials (3 credits) 6 weeks

This course is an introductory course that will assist the learner in developing the basic skills necessary for success in graduate study. The orientation course is an overview of biblical studies and theology, while building awareness of calling, personal strengths, and graduate writing skills.

(This course is the prerequisite for the remaining courses in the MA program.)

MIN5200 Worship in the Church (3 credits) 6 weeks

This course is an exploration of corporate Christian worship: the acts and expressions flowing from a biblical Christian understanding of who God is, and how he has chosen to relate with people, especially those he has redeemed. It is supplemented by a review of worship's historical development, and incorporates application of these principles to planning for corporate expression of worship.

MIN6100 Biblical Preaching (3 credits) 6 weeks

This course is intended to concentrate on the dual tasks of biblical exegesis and sermon delivery. Students will be expected to preach at least twice in class using various literary genres taken from both testaments. The course will give particular attention to expository preaching.

MIN6300 Pastoral Leadership (3 credits) 6 weeks

This course is designed to explore pastoral leadership by focusing upon the implications of the biblical servanthood model as it pertains to the pastor/leader in the practice of ministry. This course seeks to guide the student into a better understanding not only of what the pastor as leader does

Course Descriptions

but also of who the pastor as leader is within the context of Christian ministry as well as to develop a more unified model of a Servanthood Theology of Ministry model.

MIN6500 Spiritual Disciplines (3 credits) 6 weeks

This course is a study of the spiritual disciplines as they relate to the spiritual well-being and development of the minister. Students will experiment with a variety of spiritual disciplines to foster spiritual formation in the journey of faith.

MIN6700 Mission in the Western World (3 credits) 6 weeks

This course equips students for mission to non-Christian people in contemporary Western society. The course draws on insights from Scripture and the social sciences. Emphasis will be given to understanding the social and cultural influences, attitudes, beliefs, values, and worldviews of people in “post-modern” and “post-Christian” America.

MIN6800 Ministry Capstone (1 credit) 3 weeks

This course will be the culmination of the program incorporating all learning elements. Students will integrate learning as a scholar/practitioner in ministry in the creation of their Personal Credo, their Philosophy of Ministry, and development of a project addressing a real world problem.

Prerequisite: BIB5400, THE5500, THE5600

MIS3000 Anthropology for Christian Mission (3 credits) 5 weeks

This course is an introduction to cultural anthropology. Attention will be given to the application of anthropology to Christian evangelization and mission.

MIS4000 World Religions (3 credits) 5 weeks

A comparative study of major world religions including Hinduism, Buddhism, Islam and Christianity.

MIS4100 Communicating Cross-Culturally (3 credits) 5 weeks

This course outlines the principles of communication, describes the challenge of overcoming cross-cultural barriers to communication, and presents the techniques and skills used within cross-cultural communication.

MKT1050 Introduction to Marketing (3 credits) 5 weeks

This course is designed around the interacting marketing activities of analysis, planning, implementation, and control. The course focuses on competitive and customer analysis,

marketing strategy development, and implementations for decision-making in both domestic and global organizations. The course incorporates current developments in marketing to acquaint students with the present-day challenges of marketing activities, including the social, legal, ethical, and technological environments of marketing. Finally, students apply these skills and understanding to a real marketing situation and make recommendations for future marketing strategy and tactics.
